**PLEASANT VALLEY RECREATION AND PARK DISTRICT
STAFF REPORT / AGENDA REPORT**

TO: BOARD OF DIRECTORS

FROM: MARY OTTEN, GENERAL MANAGER
By: Kaleen Gage, Development Analyst

DATE: March 23, 2023

SUBJECT: DISCUSSION AND GUIDANCE FOR UPDATING THE NAMING POLICY

SUMMARY

In 2015 the District adopted a Naming Policy as a way to establish a systematic approach for the naming of parks, recreation areas, and facilities as well as amenities. It is the staff's desire to periodically bring these policies to the committees to ensure their relevance. Currently, staff relies on the existing policy to manage the naming of District property; however, as the District continues to partner with various organizations, Naming, Sponsorships, and Advertisements have become a topic of discussion.

BACKGROUND

The District initially established a Naming Policy in 2015 which was intended to provide for the naming or renaming requests based on (1) the location, natural or geological features of the District Asset, (2) the identity of a cultural or historical significance to the local area, or (3) the identity of an individual or entity whose contributions to the District and/or the community supports the request. From time to time, the District has also named District Assets after a person or entity who has provided significant financial support for the District Asset being named.

The purpose of this policy is to establish uniform guidelines and standards for naming and renaming of District Assets. The District policy outlines the criteria, conditions, and procedures that govern naming and renaming of District Assets in order to maintain their integrity, to encourage philanthropic giving while acknowledging public investments, and to safeguard against unwanted commercialization of District Assets.

ANALYSIS

District Staff have developed a draft of a revised Naming & Sponsorship Policy for review. It includes a Naming Rights/Opportunities section which outlines elements based on sponsorships and donations.

Since the last Policy meeting on February 23rd, staff has made requested updates to the proposed policy, outlined below:

1. Updated the format of the policy to match current District policy format.
2. Added language for approval of Sponsorships.

3. Added language for Advertisements.
4. Added naming terms based on a 10–15-year agreement with opportunity for an extension.
5. Added guidelines for Signage.
6. Added length of time for signage and plaques to include one placement.
7. Added charts for percentages and monetary donation of sponsorship to qualify for types of recognition and naming.
8. Reorganized to help the flow of the document.

FISCAL IMPACT

To be determined. Currently, costs are limited to staff time to prepare this report.

STRATEGIC PLAN COMPLIANCE

Meets 2021-2026 Strategic Plan Goals:

- 3.0 Renovate and modernize existing parks and recreational facilities to ensure all parks provide an adequate range and supply of active leisure facilities to meet the growth and diversity in population, programming trends, and new design standards.
- 3.4 Continue pursuing Freedom Park funding opportunities with Community Partners.
- 4.4 Enhance community connections by fostering collaborative partnerships that leverage strengths and resources to enrich the recreation experience.

RECOMMENDATION

It is recommended the Policy Committee provide guidance and direction on the current Draft of the Sponsorship & Naming Policy.

PLEASANT VALLEY RECREATION & PARK DISTRICT

SPONSORSHIP & NAMING POLICY

Introduction

The Pleasant Valley Recreation & Park District hereinafter referred to as “District,” accepts and encourages gifts and donations from individuals, businesses, community organizations, and public entities that are given to support Parks and Recreation. This policy covers gifts that are related to sponsorship and naming opportunities.

Purpose

The purpose of this policy is to set guidelines and standards that are in the best interest of the community to develop a formal process for requests to sponsor activities that occur on District property and/or the sponsorships of District property and naming of District lands/property. This policy establishes the procedure and guide to:

1. Ensure prospective donors and sponsors are suitable and relevant to the purpose.
2. Ensure that parks, recreational areas, and facilities are easily identified and located.
3. Ensure that given names to parks, recreational areas and facilities are consistent with the values and character of the area or neighborhood served.
4. Encourage the dedication of lands, facilities, or donations by individuals and/or groups.

Definition of Terms

District Property/lands - All traditional designed parks, natural open spaces, historic sites, amenities, facilities, specialized parks, roads, and trails under the Districts’ jurisdiction or management.

Donor - An individual or entity who acts as a benefactor by contributing, granting, subscribing, or otherwise providing funds or labor for the purpose of maintenance, improvement, restoration, enhancement, reclamation, addition or enlargement of holdings, properties, resources or facilities of the District.

Gift - Any payment to the extent that consideration of equal or greater value is not received and includes a rebate or discount in the price of anything of value unless the rebate or discount

is made in the regular course of business to members of the public without regard to official status.

Major Features - Major, permanent components of park and recreational facilities (e.g., ball fields, swimming pools, tennis courts, playgrounds, fountains, artwork or physical features). Rooms within buildings are considered to be Major Features.

Naming areas - A facility within a park (e.g., playground, picnic shelter, fountain, bricks, tables, benches, etc.) can be named separately from the park or facility location.

Plaque - Generally a small, flat, regular-shaped memorial plate or slab that conveys information in bold relief or engraving.

Sponsorship – funds that are restricted to provide relatively short-term (usually two (2) years or less) support for District Activities, maintenance of existing equipment or the donation of tangible items.

Sponsorships

It is the policy of the District to accept contributions (Sponsorships, Donations) for parks, recreation areas, and facilities when deemed appropriate on the following:

1. Encourage and facilitate public and private gifts, bequests, and such contributions that enhance, beautify, improve, supplement, support, or otherwise benefit the District.
2. To accept gifts that are consistent with the mission, policies, and goals of the District.
3. Donations, gifts and memorials for the area must be relevant to the purpose of the park, facility, or District property.
4. The District recognizes that actual or perceived conflicts of interest might arise in relation to contribution for individuals, foundations, corporations. Therefore, the District will not accept contributions that:
 - a. Create significant actual or perceived damage to the Districts ~~or City of Camarillo's~~ mission, public image or reputation.
 - b. Have a history of environmental abuse or regulatory noncompliance unless the corporations are engaged in a credible effort to change past practice.
 - c. Expect significant publicity for the contribution beyond the normal sponsorship and naming recognition described in this policy.
 - d. Expect award of any proposed work in connection with the District and/or City of Camarillo in exchange for the contribution.
5. If the District learns of the existence of any of the above-mentioned disqualifying conditions with respect to a particular donor at any time prior to receipt of a contribution by the donor, the District will reject the Donors request. If the District

learns of the existence of any of the above-mentioned disqualifying conditions with respect to a particular donor after the donor's contribution has been received, the District will return the contribution if reasonable possible.

6. The District may provide public recognition of individuals or businesses that provide sponsorships in one or more ways, including through plaques or signs affixed to District property that identify the donor as a sponsor.
7. When sponsorship is in reference to raising or receiving monetary contributions, the following criteria must be met to be considered an approved sponsor:
 - a. Must be relative to the District's mission
 - b. Consider the community impact
 - c. Consider the impact of the donation or funding to the completion of a project, if applicable
 - d. Consider the cost of the implementation and signage and identify the funding to cover such costs.
 - e. The District may not accept funding that would create any conflict of interest, must not complete, impair or conflict with the policies, goals or operations of the District,
8. The General Manager or designee will make final decisions for sponsorship agreements, either monetary or donations with a cash value of less than \$25,000. Requests for all sponsorship agreements either monetary or donations that exceed \$25,000 will be forwarded to the District Board of Directors for consideration and final decisions.
9. If Sponsorship/Donations are for a currently planned District capital improvement project, the District will accept large sponsorships over \$5,000 from donors. The District will not hold multiple small funds (under \$5,000) sponsorships/donations from multiple parties for a specific project. The District has full jurisdiction on how any donor funds are used for the specific Capital Project.

11. Sponsorships in the way of Advertisements

 - ii. If Naming Contribution agreement is expired with no intention of renewal.

- b. Any action to change the name of an existing District property shall follow the process as outlined below.
- c. Parks named by deed restriction shall not be considered for renaming,

1. Geographic Location
2. Natural or Geological features proximate to District property

 - d. There is an outstanding community leader who had made significant civic contributions to the District and had given highly productive support to the District and community.
5. The name of a corporation who has made a significant contribution to the community, country, state, or the field of Parks and Recreation.
6. With any naming, the proposed name will not:

- a. The donor's action will be beyond merely receiving a tax deduction their benefit
 - b. Their decision to give is justified by the merits of the projects, and nothing is expected in return other than the reasonable hope that the District uses these gifts as promised and uses them to their full advantage.

8. Naming Terms:

- a. A naming agreement will be entered into with District based on 15-year term.
- b. A naming agreement can be extended for an additional five (5) years, with a gift renewal of 30% of operational and/or maintenance cost.
- c. If an extension agreement is not met or denied, the District has the right to remove and/or rename.

Commented [MO1]: Thoughts on this section as it relates to length of agreement, extending agreement.

8-9. Requirements for contributions that involve naming all or any portion of District property. When naming is contemplated for all or any portion of District property the following applies:

- a. Approval by General Manager
 - i. Before soliciting any potential donor for a contribution in connection with such a naming opportunity will be offered, the General Manager will be notified of such proposal. The General Manager will either:
 1. Approve or disapprove administratively of the proposed solicitation and naming based on the standards set forth in this Policy;

9-10. A Naming donation must cover at least ~~60%~~ 80%-100% of the capital construction costs associated with the new building/structure, building renovation, or a significant addition to an existing building, or cover five (5) years of operational and maintenance expenses.

Memorials/Commemorative Gifts

1. It is not appropriate to use District property/lands to memorialize individuals (which includes employees of the District) unless there is a distinguished or unique relationship between the park, the District and the individual. The test of such a relationship is whether the individual has an appropriate place in the interpretive program as a person integral to or instrumental in the history of the park.
2. An individual should have been deceased for at least 5-years before the District can make an objective judgment about the significance of that person's role. Existing memorial programs should transition to be consistent with these guidelines. Memorial donations (gifts made in memory of a person) may be recognized in the same way as other gifts.
3. It is the preference of the District that donors of memorial gifts be thanked with off-site forms of recognition presented by the Board of Directors, in an area set aside for memorial gifts that otherwise meet the criteria for that form of recognition.
4. The recognition of new memorial donations should not include the donor's name. It should simply list the name of the person in whose memory the gift is given, but not include the honoree's date of birth and/or death, military service, degrees, or other honors. A positive, park related quote may be included.

Recognition & Signage

Recognition and signage shall not detract from the visitor's experience or expectation, impair the visual qualities of the park environment, be perceived as advertising or commercializing the character of the park setting, or create a feeling of proprietary interest.

1. Advertising promotions or corporate slogans shall not be permitted on or off District property.
2. Off-Site Recognition
 - a. Thank-you Letters – Every donor should promptly receive a letter of appreciation. In many cases, that might be all that is required. It should acknowledge the gift, the donor, date of acceptance and, if monetary, the dollar

amount. The thank-you letter will also serve as evidence of the gift for the purposes of the donor's tax records. As such, it should completely describe the gift. It should not, however, attempt to value the gift.

- b. Publicity – In all cases the donor's request for anonymity shall be respected. When appropriate, the District can publicly recognize donors through press releases to media outlets.
- c. Events – Higher profile recognition can occur through some of the following: ribbon cuttings, Board of Directors Meetings, or special recognition events.
- d. Commemorative Items Given to the Donor – Some items that might be presented to donors as an expression of gratitude include but are not limited to certificates of appreciation, prints, photographs, and plaques.

3. On-Site Recognition

- a. Temporary Signs – Temporary signs (such as those used to acknowledge donors during construction activities, restoration of a structure or site, or which include recognition of a sponsor's financial support for a contract period) should be informational, of appropriate design and scale.
 - i. They should inform visitors and might contain a brief interpretive message about the nature of the project and the support provided by the donor.
 - ii. The signs should be sturdy, of good quality materials, consistent with the design of other park signs, professionally done and in keeping with park design standards.
 - iii. Donor's name and corporate logo may be used if they are of non-contrasting color and subordinate to the sign's message.
 - iv. Where it is appropriate to put up more than one sign, they should be placed at infrequent intervals so that multiple signs are not visible from a single viewing point.
 - v. Under no circumstances should signs be affixed to cultural or natural resources or placed in areas of cultural sensitivity (such as archeological sites) where they would intrude on the historic character of the area.
 - ~~vi.~~ If a plaque is vandalized the District will replace it once at no cost. Recurrences are at the donor's expense.
 - ~~vii.~~ The General Manager or designee has final approval of all signs, their placements, and duration.
 - ~~viii.~~ Signs must meet District and City requirements.
- b. Permanent Plaques – With the exception of preexisting donor programs, permanent plaques are to be actively discouraged and generally are not to be used to recognize monetary contributions to District.

- i. Other exceptions will be permitted only with the approval of the General Manager or designee and should be proposed only for major contributions of long-term benefit to District.
 - ii. Permanent recognition plaques should be placed only in developed areas and preferably inside an existing public structure, such as a building.
 - iii. Except for preexisting established programs or under unusual circumstances requiring the approval of the General Manager or designee, such plaques should not be affixed to cultural or natural resources of the site where they would intrude on the historic or natural character of the area.
 - iv. The General Manager or designee has final approval of all plaques, their placements, and duration.
 - v. The commitment for plaque maintenance shall be made for no more than five years. If after five years, the plaque is not fit for public view it shall be removed or replaced at donor's expense.
 - vi. If a plaque is vandalized the District will replace it once at no cost. Recurrences are at the donor's expense.
- c. Semi-Permanent Signs – Single purpose recognition signs should be avoided. Directional, interpretive, and informational signs should be considered as locations for donor recognition.
- i. Recognition should be secondary to the information the sign is designed to convey.
 - ii. The recognition shall not dominate the sign either by scale or color and shall not be superior in any way to the park message.
 - iii. Standard earthen colors, lettering sizes and, for sponsorship programs, consistent size, design, and use of logo.
 - iv. Under no circumstances should they be affixed to cultural or natural resources, or placed in areas of natural or cultural sensitivity where they would intrude on the historic or natural character of the area.
 - v. No commitment for sign maintenance should be made for more than 5-years.
 - vi. The General Manager or designee has final approval of all signs, their placements, and duration.
 - vi-vii. Signs must meet District and City(City where applicable) requirements.

The term "administrative penalty" in this Ordinance is also referred to as "civil penalty".

SECTION 106- ADMINISTRATIVE PENALTY PROCEDURES

This section establishes the administrative procedures for the imposition, enforcement, collection, and review of civil penalties by the District pursuant to Government Code Section 53069.4.

The issuance of a civil or administrative penalty under this section is solely at the District's discretion and is one option the District possesses to address violations of this Ordinance. By adopting these provisions, the District does not intend to limit its discretion to utilize any other remedy, civil or criminal, for any violation of the Ordinance.

A Citee may request a preliminary review of a citation within 14 days of the date the citation is issued. The Citee must submit a completed preliminary review request form, a copy of the citation, and any additional information demonstrating the reason(s) why there was no violation or why the Citee is not a responsible person for the violation to the District's Park Services Manager. The purpose of the review is to identify any improper citations due to errors that are readily verifiable and not to resolve factual disputes concerning the citation.

The preliminary review shall be conducted by the District's Park Services Manager or ~~his or her~~ their designee. The reviewer shall not be the enforcement officer who issued the citation.

If the determination of the preliminary review is that the citation is improper, the citation shall be dismissed. The Citee shall be notified of the results of the review in writing within 15 working days of receipt of the request.

A request for preliminary review does not extend any time periods for compliance, the penalty due date, or the time to request an administrative hearing.

Any Citee may contest a civil penalty citation by filing a signed written request for an administrative hearing stating the grounds for contesting the citation. The request must be received by the District's designated third-party administrator's office within 35 days of the date the citation was served and be accompanied by a deposit of the full amount of the penalty.

Within ten (10) days following the receipt of a request for an administrative hearing and deposit of the full citation amount, the District's third-party administrator shall schedule an administrative hearing. The date of the hearing shall be no more than 90 days later than the date the request for the hearing was filed. The District's third-party administrator shall notify the Citee of the date of the hearing.

The Hearing Officer may grant a one-time continuance of a hearing for no more than 45 days if a request is made showing good cause by the citee or the District's designated representative. All continuance requests must be made in writing and received by the District's third-party administrator at least 72 hours before the hearing date. If the request for continuance is denied, the hearing shall proceed as noticed. A Citee who requests a continuance waives their opportunity for a hearing within 90 days of the date the citation is issued.

A Hearing Officer shall conduct the hearing on the date set by the District's third-party administrator. The Citee shall have the opportunity to appear, testify and to present evidence

relevant to the ordinance violation alleged in the citation. The Citee may file a written declaration with the District's third-party administrator at least 48 hours prior to the hearing in lieu of personally attending the hearing. The citation shall be accepted by the Hearing Officer as prima facie evidence of the ordinance violation and the facts stated in the citation. Neither the enforcement officer nor any other District representative shall be compelled to attend the hearing. However, any such appearance or submission may be made at the discretion of the enforcement officer.

The hearing shall be conducted ~~informally~~informally, and formal rules of evidence need not be utilized. The Hearing Officer does not have the authority to issue a subpoena.

The failure of the Citee to appear at the hearing or to file written testimony prior to the hearing shall constitute an abandonment of the request for an administrative hearing and a failure to exhaust administrative remedies concerning the violation and any penalty deposit shall be forfeited to the District.

After considering all evidence and testimony submitted at the administrative hearing, the Hearing Officer shall issue a written decision to uphold or dismiss the citation within 20 working days after conclusion of the hearing. The Hearing Officer has no discretion or authority to reduce or modify the amount of any fine. The decision shall state the reasons and evidence considered for the decision. If the decision is to uphold the citation, the deposited penalty shall be forfeited to the District. If the decision is to dismiss the citation, the District shall refund the penalty deposit within 30 days of the decision. The Hearing Officer's continued employment, performance evaluation, compensation, and benefits shall not directly or indirectly be linked to the number of citations upheld or cancelled by the officer.

Notwithstanding any other provisions of this Ordinance or otherwise, the administrative hearing decision is final and not subject to appeal or further review by the District or any person. The Citee may seek judicial review of the administrative hearing decision by filing an appeal with the Ventura County Superior Court in accordance with the provision of state law.
