Rangers are authorized to enforce all District ordinances, rules and regulations, all laws of the State of California and all applicable municipal laws and ordinances. Consistent with Public Resources Code Section 5786.17 and the provisions of this Ordinance, Rangers are authorized to warn and evict persons, and issue citations for any misdemeanor or infraction violation of District ordinances, rules and regulations, and applicable municipal laws or ordinances, and state law, when the violation is committed within District Lands and in the presence of the Ranger issuing the citation. Rangers may also issue civil or administrative penalty citations. Rangers must carry identification and may issue citations in accordance with Penal Code Section 853.5 *et seq.*

SECTION 104- COMPLIANCE

Persons entering District Lands may remain as long as they abide by the adopted ordinances, rules, and regulations of the District; applicable laws and ordinances of the State of California; County of Ventura and City of Camarillo; and lawful instructions of authorized employees of the District. Failure to leave District Lands when requested to do so by an authorized employee of the District for violation of any of these ordinances, rules or regulations or any other applicable laws, will represent a further and separate violation of this Ordinance. Additionally, no person shall violate any order or provision thereof posted on District Lands by the General Manager.

SECTION 105- ENFORCEMENT; PENALTIES

Unless otherwise specified in this Section, pursuant to Public Resource Code section 5786.17, any person within District Lands who violates any provision of this Ordinance, the conditions of any permit issued pursuant thereto, or any adopted rule or regulation relating to District Lands is guilty of an infraction pursuant to the California Penal Code (Penal Code) for the first violation. A violation of this Ordinance which is a misdemeanor will be punishable by a fine not to exceed One Thousand Dollars (\$1,000) or by imprisonment in the County jail for a period not to exceed six (6) months, or by both such fine and imprisonment.

In accordance with Government Code Section 53069.4, the District may make any violation of District ordinance(s), including this Ordinance, subject to a civil or administrative penalty in lieu of issuance of a citation for an infraction. Sections 106 through 108 set forth the procedures governing the District's imposition, enforcement, collection, and administrative review of administrative penalties. The term "administrative penalty" in this Ordinance is also referred to as "civil penalty".

SECTION 106- ADMINISTRATIVE PENALTY PROCEDURES

This section establishes the administrative procedures for the imposition, enforcement, collection, and review of civil penalties by the District pursuant to Government Code Section 53069.4.

The issuance of a civil or administrative penalty under this section is solely at the District's discretion and is one option the District possesses to address violations of this Ordinance. By adopting these provisions, the District does not intend to limit its discretion to utilize any other remedy, civil or criminal, for any violation of the Ordinance.

A Citee may request a preliminary review of a citation within 14 days of the date the citation is issued. The Citee must submit a completed preliminary review request form, a copy of the citation, and any additional information demonstrating the reason(s) why there was no violation or why the Citee is not a responsible person for the violation to the District's Park Services Manager. The purpose of the review is to identify any improper citations due to errors that are readily verifiable and not to resolve factual disputes concerning the citation.

The preliminary review shall be conducted by the District's Park Services Manager or designee(s). The reviewer shall not be the enforcement officer who issued the citation.

If the determination of the preliminary review is that the citation is improper, the citation shall be dismissed. The Citee shall be notified of the results of the review in writing within 15 working days of receipt of the request.

A request for preliminary review does not extend any time periods for compliance, the penalty due date, or the time to request an administrative hearing.

Any Citee may contest a civil penalty citation by filing a signed written request for an administrative hearing stating the grounds for contesting the citation. The request must be received at the address set forth on the Citation within 35 days of the date the citation was served and be accompanied by a deposit of the full amount of the penalty.

Within ten (10) days following the receipt of a request for an administrative hearing and deposit of the full citation amount, the District, or the District's authorized agent shall schedule an administrative hearing. The date of the hearing shall be no more than 90 days later than the date the request for the hearing was filed. The District or the District's authorized agent shall notify the Citee of the date of the hearing.

The Hearing Officer may grant a one-time continuance of a hearing for no more than 45 days if a request is made showing good cause by the citee or the District's designated representative. All continuance requests must be made in writing and received at least 72 hours before the hearing date. If the request for continuance is denied, the hearing shall proceed as noticed. A Citee who requests a continuance waives their opportunity for a hearing within 90 days of the date the citation is issued.

A Hearing Officer shall conduct the hearing on the date set by the District or the District's authorized agent. The Citee shall have the opportunity to appear, testify and to present evidence relevant to the violation alleged in the citation. The Citee may file a written declaration at least 48 hours prior to the hearing in lieu of personally attending the hearing. The citation shall be accepted by the Hearing Officer as prima facie evidence of the violation and the facts stated in the citation. Neither the enforcement officer nor any other District representative shall be compelled to attend the hearing. However, any such appearance or submission may be made at the discretion of the enforcement officer.

The hearing shall be conducted informally, and formal rules of evidence need not be utilized. The Hearing Officer does not have the authority to issue a subpoena.

The failure of the Citee to appear at the hearing or to file written testimony prior to the hearing shall constitute an abandonment of the request for an administrative hearing and a failure to exhaust administrative remedies concerning the violation and any penalty deposit shall be forfeited to the District.

After considering all evidence and testimony submitted at the administrative hearing, the Hearing Officer shall issue a written decision to uphold or dismiss the citation within 20 working days after conclusion of the hearing. The Hearing Officer has no discretion or authority to reduce or modify the amount of any fine. The decision shall state the reasons and evidence considered for the decision. If the decision is to uphold the citation, the deposited penalty shall be forfeited to the District. If the decision is to dismiss the citation, the District shall refund the penalty deposit within 30 days of the decision. The Hearing Officer's continued employment, performance evaluation, compensation, and benefits shall not directly or indirectly be linked to the number of citations upheld or cancelled by the officer.

Notwithstanding any other provisions of this Ordinance or otherwise, the administrative hearing decision is final and not subject to appeal or further review by the District or any person. The District or Citee may seek judicial review of the administrative hearing decision by filing an appeal with the Ventura County Superior Court in accordance with state law.

SECTION 107- ADMINISTRATIVE PENALTY CITATIONS

Upon determining that a provision of this Ordinance has been violated, a Ranger has the authority to issue a civil penalty citation to any Responsible Person. A Responsible Person upon whom a citation is served is liable for and shall pay the penalties described in the citation. A citation may be issued for the violation of one or more ordinance sections and for each day that the violation exists. Hence, each ordinance violation is a separate violation and subject to a separate penalty. Civil penalty citations shall contain the following information:

1. Name of the Responsible Person;
2. Address or other description of the location where the ordinance violation occurred;
3. Date on which the ordinance violation(s) occurred;
4. The ordinance section(s) violated;
5. Brief description of the violation;
6. Amount of the penalty;
7. Procedure to pay the penalty;
8. Description of the procedure for requesting a Preliminary Review, and an Administrative Hearing to contest a citation.
9. Printed name and signature of the issuing Ranger;
10. Date the citation is served; and
11. A distinct citation number.

A Ranger may personally deliver the citation to the Citee, place the citation on the Citee's vehicle, or mail the citation by first class mail to the Citee's last known address.

SECTION 108- PAYMENT OF ADMINISTRATIVE PENALTIES/CITATION

Administrative penalties for violations shall be as follows:

1. A fine of \$100 for the first offense in any 12 month period;
2. A fine of \$200 for any 2nd offense in any 12 month period;
3. A fine of \$500 for any third or subsequent offense in any 12 month period

Citations shall be paid, in the manner set forth on the citation within 35 days of the due date. Citations not paid in accordance with the provision of this Ordinance are civil obligations of the responsible party and may be collected by the District through any legal means. Payment of a citation shall not excuse the Citee from correcting the ordinance violation. The issuance of a citation or payment of a penalty does not bar the District from taking any further enforcement action regarding an ordinance violation that continues to exist or when a person continues to violate an ordinance, including but not limited to issuing additional civil penalty citations or filing a criminal complaint.

SECTION 109- USE OF DISTRICT LANDS

The District's reservable areas may be made available for the use of persons and groups subject to the issuance of a permit and the payment of required fees. A permit is required for the use of District Lands for assemblies or an organized group. Each application for use of District Lands must be signed by an adult 18 years or older who agrees to be responsible for said use; however, when alcohol may be present an application must be signed by an adult 21 years or older. A group that exceeds the maximum attendance listed on its permit will forfeit the refundable cleaning deposit. Additional fees will be charged for portable toilets, garbage dumpsters, an additional cleaning deposit, staff time, and any other costs incurred by the District as a result of a group's use of District Lands. The District will make arrangements for these items to be placed on District Lands and the cost of these items will be passed on to the Applicant.

No person shall attempt to use or interfere with the use of any facility which is reserved for another person or organization holding a District issued permit.

SECTION 110- APPLICATION FOR USE

The General Manager is authorized to grant or deny all applications for use of District facilities. The park, field, courts, park space or facility is granted a permit only when the completed application is approved by the District office and after all applicable fees are paid.

All applications for use shall comply with District policies and any additional requirements during the application process. All applications must comply with the insurance requirements as set forth by the District.

If approved, a use permit will be issued by the District.

SECTION 111- LIABILITY

All use permit Applicants must agree in writing to release and hold the District harmless, and to indemnify the District from any and all liability for injury to persons or property, including District Lands, occurring as the result of the activity being undertaken by the Applicant. Any person exercising any of the privileges authorized by this Ordinance does so at their own risk without liability on the part of the District for any injury to persons or property resulting therefrom.

This requirement may be waived by the General Manager, at their sole discretion, upon receipt of a written request for a waiver.

SECTION 112- DISTRICT RIGHT TO ALTER USE

The District reserves the right to alter any previously scheduled use to minimize interference with District activities or to suspend an existing use application if the user or any of their

agents, employees, or guests violates any section of the District's General Use Policy or any District Ordinance or other applicable law.

SECTION 113- USE PERMIT RIGHT OF APPEAL

An Applicant may appeal the decision of a District representative regarding facility permits to the General Manager. The Applicant must file such appeal with the General Manager within five business days of the District representative's decision. The General Manager may hold a hearing within ten business days of the filing of such appeal at which time the Applicant may present all evidence, testimony, and information relative to the application. The General Manager shall, within three business days of said appeal hearing, issue a decision either affirming or denying the decision on the application and, if the decision is to issue the permit, add appropriate terms and conditions to the permit. The General Manager shall specify grounds for upholding the denial of a permit. The decision of the General Manager may be appealed to the Board. An appeal to the Board shall be filed within five business days of the General Manager's decision.

SECTION 114- VIOLATION OF PERMIT

Violation of any terms, conditions, rules, and regulations of a permit by the permittee or any agent, guest, or employee of permittee is prohibited. No group or organization owing any outstanding debts or obligations to the District will be permitted to use District facilities until such debts are paid. The General Manager reserves the right to revoke any permit for a violation of terms of the permit or any District ordinance or other applicable law, with or without notice to the persons or organization to whom the permit was issued. Users that do not comply with the rules and regulations set forth by the District may be required to return any District property and be restricted from any future use of the District's facilities.

SECTION 115- SOLICITATION AND UNLAWFUL ADVERTISING

A violation of this Ordinance which is a misdemeanor will be punishable by a fine not to exceed One Thousand Dollars (\$1,000) or by imprisonment in the County jail for a period not to exceed six (6) months, or by both such fine and imprisonment.

In accordance with Government Code Section 53069.4, the District may make any violation of District ordinance(s), including this Ordinance, subject to a civil or administrative penalty in lieu of issuance of a citation for an infraction. Sections 106 through 108 set forth the procedures governing the District’s imposition, enforcement, collection, and administrative review of administrative penalties. The term "administrative penalty" in this Ordinance is also referred to as "civil penalty".

SECTION 106- ADMINISTRATIVE PENALTY PROCEDURES

This section establishes the administrative procedures for the imposition, enforcement, collection, and review of civil penalties by the District pursuant to Government Code Section 53069.4.

The issuance of a civil or administrative penalty under this section is solely at the District’s discretion and is one option the District possesses to address violations of this Ordinance. By adopting these provisions, the District does not intend to limit its discretion to utilize any other remedy, civil or criminal, for any violation of the Ordinance.

A Citee may request a preliminary review of a citation within 14 days of the date the citation is issued. The Citee must submit a completed preliminary review request form, a copy of the citation, and any additional information demonstrating the reason(s) why there was no violation or why the Citee is not a responsible person for the violation to the District's Park Services Manager. The purpose of the review is to identify any improper citations due to errors that are readily verifiable and not to resolve factual disputes concerning the citation.

The preliminary review shall be conducted by the District’s Park Services Manager or designee(s). The reviewer shall not be the enforcement officer who issued the citation.

If the determination of the preliminary review is that the citation is improper, the citation shall be dismissed. The Citee shall be notified of the results of the review in writing within 15 working days of receipt of the request.

A request for preliminary review does not extend any time periods for compliance, the penalty due date, or the time to request an administrative hearing.

Any Citee may contest a civil penalty citation by filing a signed written request for an administrative hearing stating the grounds for contesting the citation. The request must be received by at the address set forth on the Citation ~~District’s designated third party~~

The date of the hearing shall be no more than 90 days later than the date the request for the hearing was filed. The District or the District's authorized agent shall notify the Citee of the date of the hearing.

The Hearing Officer may grant a one-time continuance of a hearing for no more than 45 days if a request is made showing good cause by the citee or the District's designated representative. All continuance requests must be made in writing and received at least 72 hours before the hearing date. If the request for continuance is denied, the hearing shall proceed as noticed. After considering all evidence and testimony submitted at the administrative hearing, the Hearing Officer shall issue a written decision to uphold or dismiss the citation within 20 working days after conclusion of the hearing. The Hearing Officer has no discretion or authority to reduce or modify the amount of any fine. The decision shall state the reasons and evidence considered for the decision. If the decision is to uphold the citation, the deposited penalty shall be forfeited to the District. If the decision is to dismiss the citation, the District shall refund the penalty deposit within 30 days of the decision. A Responsible Person upon whom a citation is served is liable for and shall pay the penalties described in the citation. Hence, each ordinance violation is a separate violation and subject to a separate penalty. Civil penalty citations shall contain the following information:

The issuance of a citation or payment of a penalty does not bar the District from taking any further enforcement action regarding an ordinance violation that continues to exist or when a person continues to violate an ordinance, including but not limited to issuing additional civil penalty citations or filing a criminal complaint.

SECTION 109- USE OF DISTRICT LANDS

The District’s reservable areas may be made available for the use of persons and groups subject to the issuance of a permit and the payment of required fees. A permit is required for the use of District Lands for assemblies or an organized group. Each application for use of District Lands must be signed by an adult 18 years or older who agrees to be responsible for said use; however, when alcohol may be present an application must be signed by an adult 21 years or older. A group that exceeds the maximum attendance listed on its permit will forfeit the refundable cleaning deposit. Additional fees will be charged for portable toilets, garbage dumpsters, an additional cleaning deposit, staff time, and any other costs incurred by the District as a result of a group’s use of District Lands. The District will make arrangements for these items to be placed on District Lands and the cost of these items will be passed on to the Applicant.

No person shall attempt to use or interfere with the use of any facility which is reserved for another person or organization holding a District issued permit.

SECTION 110- APPLICATION FOR USE

The General Manager is authorized to grant or deny all applications for use of District facilities. The park, field, courts, park space or facility is granted a permit only when the completed application is approved by the District office and after all applicable fees are paid.

All applications for use shall comply with District policies and any additional requirements during the application process. All applications must comply with the insurance requirements as set forth by the District.

If approved, a use permit will be issued by the District.

SECTION 111- LIABILITY

All use permit Applicants must agree in writing to release and hold the District harmless, and to indemnify the District from any and all liability for injury to persons or property, including District Lands, occurring as the result of the activity being undertaken by the Applicant. Any person exercising any of the privileges authorized by this Ordinance does so at their own risk without liability on the part of the District for any injury to persons or property resulting therefrom.

This requirement may be waived by the General Manager, at their sole discretion, upon receipt of a written request for a waiver.

The District reserves the right to alter any previously scheduled use to minimize interference with District activities or to suspend an existing use application if the user or any of their agents, employees, or guests violates any section of the District’s General Use Policy or any District Ordinance or other applicable law.

SECTION 113- USE PERMIT RIGHT OF APPEAL

An Applicant may appeal the decision of a District representative regarding facility permits to the General Manager. The Applicant must file such appeal with the General Manager within five business days of the District representative’s decision. The General Manager may hold a hearing within ten business days of the filing of such appeal at which time the Applicant may present all evidence, testimony, and information relative to the application. The General Manager shall, within three business days of said appeal hearing, issue a decision either affirming or denying the decision on the application and, if the decision is to issue the permit, add appropriate terms and conditions to the permit. The General Manager shall specify grounds for upholding the denial of a permit. The decision of the General Manager may be appealed to the Board. An appeal to the Board shall be filed within five business days of the General Manager’s decision.

Commented [A51]: I notice that Admin cites are not appealable to the Board but permit use decisions are. This is fine but I want to make sure you considered the implications of having the Board have to hear these. There is no legal requirement that they do so.

SECTION 114- VIOLATION OF PERMIT

Violation of any terms, conditions, rules, and regulations of a permit by the permittee or any agent, guest, or employee of permittee is prohibited. No group or organization owing any outstanding debts or obligations to the District will be permitted to use District facilities until such debts are paid. The General Manager reserves the right to ~~(1)~~ revoke any permit for a violation of terms of the permit or any District ordinance or other applicable law, with or without notice to the persons or organization to whom the permit was issued, ~~and (2) enforce any applicable penalties as set forth in Section (xxx).~~ Users that do not comply with the rules and regulations set forth by the District may be required to return any District property and be restricted from any future use of the District’s facilities.

SECTION 115- SOLICITATION AND UNLAWFUL ADVERTISING

To prevent littering and the destruction of District property, it is unlawful to post, place, erect, or leave posted, placed or erected, any commercial or noncommercial bill, handbill, circular, notice, paper, banners, or advertising device or matter of any kind, in or upon any building, structure, pole, wire, or other architectural or natural feature of whatever character, or on vehicles. The only exception to this prohibition on posting is upon a bulletin board or such place especially designated and provided for such purposes by the District.

a. It is unlawful for any person to place, paint, attach, or maintain any commercial sign, which includes billboards and banners, on any District property without District authorization.

c. If permission is granted, a signage/banner mockup must be submitted at least 30 days prior to final approval.

1. Signage/Banners must be no larger than 24 square feet if displayed for more than 3 days. When displayed for less than 3 days, signage/banners may be no larger than 36 square feet.
2. Signage/Banners may not be left up longer than 14 days, with a period of 30 days between display and no more than 4 times a year.

(b) It is unlawful for a person who has 0.08 percent or more, by weight, of alcohol in his or her blood to drive a vehicle. Alcoholic beverages may be present at an event for a maximum of four hours and the provision of alcohol must end a minimum of one hour prior to the end of the event.

Commented [A83R82]: CVC 312: The term "drug" means any substance or combination of substances, other than alcohol, which could so affect the nervous system, brain, or muscles of a person as to impair, to an appreciable degree, his ability to drive a vehicle in the manner that an ordinarily prudent and cautious man, in full possession of his faculties, using reasonable care, would drive a similar vehicle under like conditions.

To obtain an alcoholic beverage permit, the Applicant must first secure all such permits or licenses required by other governmental agencies including but not limited to the State of California Alcoholic Beverage Control Board and the Ventura County Public Health

Department. If a request for the alcoholic beverage permit is denied by the staff, provisions in Section 113 regarding appeals shall apply. SECTION 227-SECTION 226- DUMPING

Dumping rocks, soil, grass clippings, branches, leaves, equipment, vehicles, furniture or accessories, or any other items or material on District Lands is prohibited without prior written approval of the General Manager or their designee.

Commented [A84]: What is the repercussion or fine(s) for being caught? Reference back to sections 104/105?

**PLEASANT VALLEY RECREATION AND PARK DISTRICT
STAFF REPORT / AGENDA REPORT**

TO: POLICY COMMITTEE

**FROM: MARY OTTEN, GENERAL MANAGER
By: Lanny Binney, Recreation Supervisor**

DATE: August 8, 2023

**SUBJECT: THREE-YEAR AGREEMENT BETWEEN THE
PLEASANT VALLEY RECREATION AND PARK
DISTRICT (“DISTRICT”) AND THE COMMUNITY
SERVICE ORGANIZATIONS (“CSO”)**

SUMMARY

The District has seven Community Service Organizations which perform a service for the benefit of the public, sponsored and approved by the Pleasant Valley Recreation and Park District Board. The Board approved a two-year agreement in September of 2021 and these agreements end September 14, 2023. The documents have been updated to include an updated term of three years.

BACKGROUND

In 2008, the Board of Directors approved a one-year agreement between the District and seven Community Service Organizations (Eagles Soccer Club, American Youth Soccer Organization, Camarillo Pony Baseball Association, Camarillo Girls Softball, Camarillo Youth Basketball, Cosmos Track Club, and Cougars Football) with a generic boiler plate agreement for all organizations. This agreement was to provide clear criteria and gather information regarding the various organizations as well as provide a checklist of items that each organization would need to provide to the District. There were approximately 19 items for the organizations to review and initial in order to be considered a Community Service Organization. The agreement was renewed on an annual basis if the group complied with all the terms and conditions as stated in the said agreement. The Recreation Services Department, specifically the Sports Division, handled the renewal of the agreements based upon the terms outlined in the agreement and the annual presentation to the Board of Directors. The agreement was then signed by the organization’s president and the District’s General Manager.

In 2017, the Board of Directors approved a two-year agreement with the Community Service Organizations. This agreement increased to 32 items and included a snack bar agreement for those organizations with a snack bar facility and AB2007 concussion and head injury protocol. The additional items included that we had new facilities at PV Fields and Freedom Park Baseball Complex.

In 2021, the Board of Directors approved a two-year agreement with the Community Service Organizations to include the seven listed above and Pleasant Valley Swim Team. This agreement included 35 items and AB1 which restricted the number of days youth football could practice with full contact, have a trained medical professional at practice and games and other requirements.

In 2022, the Board of Directors approved an agreement for use and maintenance with Camarillo Pony Baseball Association (“CPBA”) and United States Specialty Sports Association (“USSSA”).

The new agreement superseded the current CSO Agreement between the District and CPBA. The 2022 agreement with the CPBA is valid until July 5, 2025. The CPBA will still sign and be in compliance with the proposed CSO Agreement.

Over the years additional agreements/guidelines/policies have been approved and discussed with each group but have not been included in the annual Community Service Organization agreement.

At the July 2023 Policy Committee meeting, the board members provided feedback for changes to the Agreement. District Staff has made revisions and sent the Agreement to CAPRI and the District's legal counsel for review.

ANALYSIS

Due to the outdated annual agreements, changes in Ordinance 8 and direction from the Board, and the termination of the existing agreement, staff is updating this agreement. The updated document contains some language from the original agreement and most of the language seen in the proposed agreement has been updated. The agreement outlines the following areas: 1) Field/Facility Use, 2) Insurance, 3) Safety and Security, 4) Coaches and Volunteers, 5) Reservation Fees, 6) Advertising, 7) Programming, and 8) Administrative, as well as 11 attachments (Attachments A-K).

The proposed Agreement will be signed by all eight of the approved District CSO's Eagles Soccer Club, American Youth Soccer Organization, Camarillo Pony Baseball Association, Camarillo Girls Softball Association, Camarillo Youth Basketball Association, Cosmos Track Club, Pleasant Valley Swim Team, and Stingers (formerly known as the Cougars) Football. AB 2007 CONCUSSION OR OTHER HEAD INJURIES

An act to add Article 2.5 (commencing with Section 124235) to Chapter 4 of Part 2 of Division 106 of the Health and Safety Code, relating to youth athletics.

[Approved by Governor September 23, 2016. Filed with Secretary of State September 23, 2016.]

LEGISLATIVE COUNSEL'S DIGEST

AB 2007, McCarty. Youth athletics: youth sports organizations: concussions or other head injuries.

Existing law requires a school district, charter school, or private school, if it offers an athletic program, to immediately remove an athlete from an athletic activity for the remainder of the day if the athlete is suspected of sustaining a concussion or head injury, and prohibits the athlete from returning to the athletic activity until the athlete is evaluated by a licensed health care provider, trained in the management of concussions, and acting within the scope of his or her practice, and the athlete receives written clearance from the licensed health care provider to return to the athletic activity. Existing law also requires, on a yearly basis, a concussion and head injury information sheet to be signed and returned by the athlete and athlete's parent or guardian before the athlete's initiating practice or competition.

This bill would apply these provisions to athletes participating in youth sports organizations, as defined to include organizations, businesses, nonprofit entities, or local governmental agencies that sponsor or conduct amateur sports competitions, training, camps, or clubs in which persons 17 years of age or younger participate in any of 27 designated sports. The bill would require youth sports organizations to notify the parents or guardians of athletes 17 years of age or younger who have been removed from athletic activities due to suspected concussions, as specified. The bill would require youth sports organizations to offer concussion and head injury education, or related educational materials, or both, to each of their coaches and administrators on a yearly basis, as prescribed. The bill would require each of these coaches and administrators to successfully complete the concussion and head injury education offered under the bill at least once either online or in person.

The bill would also require a youth sports organization to identify procedures for ensuring compliance with the bill's requirements for providing concussion and head injury education and a concussion and head injury information sheet. The bill would additionally require the youth sports organization to identify procedures to ensure compliance with the athlete removal provisions and the return-to-play protocol, as

specified. The bill would specify that it applies to all persons participating in the activities of a youth sports organization, irrespective of their ages.

CHAPTER 158

An act to add Article 2.7 (commencing with Section 124240) to Chapter 4 of Part 2 of Division 106 of the Health and Safety Code, relating to youth athletics.

[Approved by Governor July 31, 2019. Filed with Secretary of

LEGISLATIVE COUNSEL'S DIGEST

AB 1, Cooper. Youth athletics: California Youth Football Act.

Under existing law, a school district, charter school, or private school that elects to offer an athletic program is prohibited from allowing a high school or middle school football team to conduct more than 2 full-contact practices, as defined, per week during the preseason and regular season, as defined, and from conducting a full-contact practice during the off-season.

This bill would express legislative findings and declarations relating to youth football and specifically relating to player safety. The bill, on and after January 1, 2021, would require a youth sports organization, as defined, that conducts a tackle football program to comply with certain requirements, including, among other things, not conducting more than 2 full-contact practices, as defined, per week during the preseason and regular season; not holding a full-contact practice during the off-season; having coaches receive a tackling and blocking certification, as specified; having designated personnel annually complete specified concussion and head injury education, a specified factsheet related to opioids, and designated training relating to heat-related illness, as defined; meeting specified requirements relating to safety equipment; having a licensed medical professional present during games, as specified; having coaches receive first aid, cardiopulmonary resuscitation, and automated external defibrillator certification; and inspecting safety equipment, as specified.

The bill, on and after January 1, 2021, would require a youth tackle football league to establish youth tackle football participant divisions that are organized by relative age or weight or by both age and weight, and to retain information for the tracking of youth sports injuries, as specified. The bill would declare that nothing in its provisions would prohibit any youth sports organization or youth tackle football league from adopting and enforcing rules providing a higher level of safety than the requirements of this bill.

BILL TEXT

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1.

(a) The Legislature finds and declares all of the following:

(1) Youth football's highest priority is the safety and well-being of its participants. California children must have the right to be protected with safe youth football standards and practices empowering parents to make informed choices regarding the elected activities of their children.

(2) Nationwide, over 2.5 million players, coaches, cheerleaders, and parent volunteers participate in youth football.

(3) Youth football promotes the values of teamwork, self-discipline, diversity, academics, nutrition, leadership, and acceptance.

(4) Youth football promotes an active lifestyle that helps combat obesity rates in youth, which have increased by 300 percent over the past four decades and that lead to a broad range of health problems previously not seen until adulthood, such as high blood pressure, type 2 diabetes, and elevated blood cholesterol levels.

(5) Youth sports have become increasingly expensive due to the elimination of after school sports programs and the proliferation of travel teams and tournament-centric scheduling, but youth football remains an affordable neighborhood-based sport that is accessible in every community in California, irrespective of socioeconomic status or geographic location.

(6) Football is one of California's most popular sports, and the safety and well-being of the players is youth football's top priority.

(7) Many youth football organizations have implemented policies requiring the annual or biannual recertification of all football helmets by the helmet manufacturer or by an independent third party and the replacement of helmets that are damaged or that do not meet the current safety standards or recertification requirements.

(8) New helmet testing standards are being implemented to enable players to wear the safest helmet possible, and manufacturers continue to advance helmet technology.

(9) Blocking and tackling techniques designed to remove the head from contact have become the nationwide standard for teaching blocking and tackling, and coaches are required to complete annual certification and continuing education in blocking and tackling techniques that emphasize the removal of the head from any blocking or tackling and that provide coaches with noncontact drills designed to reinforce this training.

(10) The federal Centers for Disease Control and Prevention Concussion Protocol Training has become standard for many youth football organizations and coaches in an attempt to minimize the risk of injury for youth football players, and the training is designed to identify those players who exhibit symptoms of a concussion, to prescribe protocols for the immediate removal of those players from the game or practice, and to outline stringent "return to play" protocols that coaches, players, and parents must follow after a youth football player has received clearance from a medical doctor before that player is allowed to return to full participation.

(11) Youth football organizations have implemented policies for concussion response, proper hydration, equipment fitting, and age and weight requirements.

(12) California prohibits high school and middle school football teams from conducting more than two full-contact practices per week during the preseason and regular season, and California also prohibits the full-contact portion of a practice from exceeding 90 minutes in any single day and completely prohibits full-contact practice during the off-season.

(13) The awareness of the possible injury risks associated with football are now widely known and accepted by parents, players, coaches, officials, medical professionals, and the general public.

(14) The decision to play youth football ultimately rests with the parents, after their thoughtful consideration of the risks and benefits, as to whether participation in youth football is in their child's best interest.

(15) In order to ensure youth tackle football participant safety and competitive play, youth tackle football leagues should be divided into divisions based on the participant's relative size and maturity, including classifications by appropriate weight, age, and size.

(b) It is therefore the intent of the Legislature to build upon prior legislation, including Assembly Bill 2007 (Chapter 516 of the Statutes of 2016), to improve youth tackle football safety with new safety standards while honoring youth tackle football's spirit and tradition.

SEC. 2.

Article 2.7 (commencing with Section 124240) is added to Chapter 4 of Part 2 of Division 106 of the Health and Safety Code, to read:

(g) Each football helmet shall be reconditioned and recertified every other year, unless stated otherwise by the manufacturer. Only entities licensed by the National Operating Committee on Standards for Athletic Equipment shall perform the reconditioning and recertification. (1) For purposes of this article, "reasonable suspicion" means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing, when appropriate, on the person's training and experience, to suspect child abuse or neglect. "Reasonable suspicion" does not require certainty that child abuse or neglect has occurred nor does it require a specific medical indication of child abuse or neglect; any "reasonable suspicion" is sufficient. For purposes of this article, the pregnancy of a minor does not, in and of itself, constitute a basis for a reasonable suspicion of sexual abuse.

(2) The agency shall be notified, and a report shall be prepared and sent by fax or electronic transmission, even if the child has expired, regardless of whether or not the possible abuse was a factor contributing to the death, and even if suspected child abuse was discovered during an autopsy.

(3) A report made by a mandated reporter pursuant to this section shall be known as a mandated report.

(b) If, after reasonable efforts, a mandated reporter is unable to submit an initial report by telephone, the mandated reporter shall immediately or as soon as is practicably possible, by fax or electronic transmission, make a one-time automated written report on the form prescribed by the Department of Justice, and shall also be available to respond to a telephone followup call by the agency with which the mandated reporter filed the report. A mandated reporter who files a one-time automated written report because the mandated reporter was unable to submit an initial report by telephone is not required to submit a written followup report.

(1) The one-time automated written report form prescribed by the Department of Justice shall be clearly identifiable so that it is not mistaken for a standard written followup report. In addition, the automated one-time report shall contain a section that allows the mandated reporter to state the reason the initial telephone call was not able to be completed. The reason for the submission of the one-time automated written report in lieu of the procedure prescribed in subdivision (a) shall be captured in the statewide child welfare information system. The department shall work with stakeholders to modify reporting forms and the statewide child welfare information system as is necessary to accommodate the changes enacted by these provisions.

(2) This subdivision shall not become operative until the statewide child welfare information system is updated to capture the information prescribed in this subdivision.

(3) This subdivision shall become inoperative three years after this subdivision becomes operative or on January 1, 2009, whichever occurs first.

(4) This section does not supersede the requirement that a mandated reporter first attempt to make a report via telephone, or that agencies specified in Section 11165.9 accept reports from mandated reporters and other persons as required.

(c) A mandated reporter who fails to report an incident of known or reasonably suspected child abuse or neglect as required by this section is guilty of a misdemeanor punishable by up to six months confinement in a county jail or by a fine of one thousand dollars (\$1,000) or by both that imprisonment and fine. If a mandated reporter intentionally conceals the mandated reporter's failure to report an incident known by the mandated reporter to be abuse or severe neglect under this section, the failure to report is a continuing offense until an agency specified in Section 11165.9 discovers the offense.

(d)(1) A clergy member who acquires knowledge or a reasonable suspicion of child abuse or neglect during a penitential communication is not subject to subdivision (a). For the purposes of this subdivision, "penitential communication" means a communication, intended to be in confidence, including, but not limited to, a sacramental confession, made to a clergy member who, in the course of the discipline or practice of the clergy member's church, denomination, or organization, is authorized or accustomed to hear those communications, and under the discipline, tenets, customs, or practices of the clergy member's church, denomination, or organization, has a duty to keep those communications secret.

(2) This subdivision does not modify or limit a clergy member's duty to report known or suspected child abuse or neglect when the clergy member is acting in some other capacity that would otherwise make the clergy member a mandated reporter.

(3)(A) On or before January 1, 2004, a clergy member or any custodian of records for the clergy member may report to an agency specified in Section 11165.9 that the clergy member or any custodian of records for the clergy member, prior to January 1, 1997, in the clergy member's professional capacity or within the scope of the clergy member's employment, other than during a penitential communication, acquired knowledge or had a reasonable suspicion that a child had been the victim of sexual abuse and that the clergy member or any custodian of records for the clergy member did not previously report the abuse to an agency specified in Section 11165.9. The provisions of Section 11172 shall apply to all reports made pursuant to this paragraph.

(B) This paragraph shall apply even if the victim of the known or suspected abuse has reached the age of majority by the time the required report is made.

(C) The local law enforcement agency shall have jurisdiction to investigate any report of child abuse made pursuant to this paragraph even if the report is made after the victim has reached the age of majority.

(e)(1) A commercial film, photographic print, or image processor who has knowledge of or observes, within the scope of that person's professional capacity or employment, any film, photograph, videotape,

negative, slide, or any representation of information, data, or an image, including, but not limited to, any film, filmstrip, photograph, negative, slide, photocopy, videotape, video laser disc, computer hardware, computer software, computer floppy disk, data storage medium, CD-ROM, computer-generated equipment, or computer-generated image depicting a child under 16 years of age engaged in an act of sexual conduct, shall, immediately or as soon as practicably possible, telephonically report the instance of reasonably suspected abuse to the law enforcement agency located in the county in which the images are seen. Within 36 hours of receiving the information concerning the incident, the reporter shall prepare and send, fax, or electronically transmit a written followup report of the incident with a copy of the image or material attached.

(2) A commercial computer technician who has knowledge of or observes, within the scope of the technician's professional capacity or employment, any representation of information, data, or an image, including, but not limited to, any computer hardware, computer software, computer file, computer floppy disk, data storage medium, CD-ROM, computer-generated equipment, or computer-generated image that is retrievable in perceivable form and that is intentionally saved, transmitted, or organized on an electronic medium, depicting a child under 16 years of age engaged in an act of sexual conduct, shall immediately, or as soon as practicably possible, telephonically report the instance of reasonably suspected abuse to the law enforcement agency located in the county in which the images or materials are seen. As soon as practicably possible after receiving the information concerning the incident, the reporter shall prepare and send, fax, or electronically transmit a written followup report of the incident with a brief description of the images or materials.

(3) For purposes of this article, "commercial computer technician" includes an employee designated by an employer to receive reports pursuant to an established reporting process authorized by subparagraph (B) of paragraph (43) of subdivision (a) of Section 11165.7.

(4) As used in this subdivision, "electronic medium" includes, but is not limited to, a recording, CD-ROM, magnetic disk memory, magnetic tape memory, CD, DVD, thumbdrive, or any other computer hardware or media.

(5) As used in this subdivision, "sexual conduct" means any of the following:

(A) Sexual intercourse, including genital-genital, oral-genital, anal-genital, or oral-anal, whether between persons of the same or opposite sex or between humans and animals.

(B) Penetration of the vagina or rectum by any object.

(C) Masturbation for the purpose of sexual stimulation of the viewer.

(D) Sadomasochistic abuse for the purpose of sexual stimulation of the viewer.

(E) Exhibition of the genitals, pubic, or rectal areas of a person for the purpose of sexual stimulation of the viewer.

(f) Any mandated reporter who knows or reasonably suspects that the home or institution in which a child resides is unsuitable for the child because of abuse or neglect of the child shall bring the condition to the attention of the agency to which, and at the same time as, the mandated reporter makes a report of the abuse or neglect pursuant to subdivision (a).

(g) Any other person who has knowledge of or observes a child whom the person knows or reasonably suspects has been a victim of child abuse or neglect may report the known or suspected instance of child abuse or neglect to an agency specified in Section 11165.9. For purposes of this section, "any other person" includes a mandated reporter who acts in the person's private capacity and not in the person's professional capacity or within the scope of the person's employment.

(h) When two or more persons, who are required to report, jointly have knowledge of a known or reasonably suspected instance of child abuse or neglect, and when there is agreement among them, the telephone report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report.

(i)(1) The reporting duties under this section are individual, and no supervisor or administrator may impede or inhibit the reporting duties, and no person making a report shall be subject to any sanction for making the report. However, internal procedures to facilitate reporting and apprise supervisors and administrators of reports may be established provided that they are not inconsistent with this article. An internal policy shall not direct an employee to allow the employee's supervisor to file or process a mandated report under any circumstances.

(2) The internal procedures shall not require any employee required to make reports pursuant to this article to disclose the employee's identity to the employer.

(3) Reporting the information regarding knowledge of or reasonably suspected child abuse or neglect to an employer, supervisor, school principal, school counselor, coworker, or other person shall not be a substitute for making a mandated report to an agency specified in Section 11165.9.

(j)(1) A county probation or welfare department shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the law enforcement agency having jurisdiction over the case, to the agency given the responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code, and to the district attorney's office every known or reasonably suspected instance of child abuse or neglect, as defined in Section 11165.6, except acts or omissions coming within subdivision (b) of Section 11165.2, or reports made pursuant to Section 11165.13 based on risk to a child that relates solely to the inability of the parent to provide the child with regular care due to the parent's substance abuse, which shall be reported only to the county welfare or probation department. A county probation or welfare department also shall send by fax or electronic transmission a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.

(2) A county probation or welfare department shall immediately, and in no case in more than 24 hours, report to the law enforcement agency having jurisdiction over the case after receiving information that a child or youth who is receiving child welfare services has been identified as the victim of commercial sexual exploitation, as defined in subdivision (d) of Section 11165.1.

(3) When a child or youth who is receiving child welfare services and who is reasonably believed to be the victim of, or is at risk of being the victim of, commercial sexual exploitation, as defined in Section 11165.1, is missing or has been abducted, the county probation or welfare department shall immediately, or in no case later than 24 hours from receipt of the information, report the incident to the appropriate law enforcement authority for entry into the National Crime Information Center database of the Federal Bureau of Investigation and to the National Center for Missing and Exploited Children.

(k) A law enforcement agency shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the agency given responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code and to the district attorney's office every known or reasonably suspected instance of child abuse or neglect reported to it, except acts or omissions coming within subdivision (b) of Section 11165.2, which shall be reported only to the county welfare or probation department. A law enforcement agency shall report to the county welfare or probation department every known or reasonably suspected instance of child abuse or neglect reported to it that is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or as the result of the failure of a person responsible for the child's welfare to adequately protect the minor from abuse when the person responsible for the child's welfare knew or reasonably should have known that the minor was in danger of abuse. A law enforcement agency also shall send by fax or electronic transmission a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.

An act to add Article 2.5 (commencing with Section 124235) to Chapter 4 of Part 2 of Division 106 of the Health and Safety Code, relating to youth athletics.

[Approved by Governor September 23, 2016. Filed with Secretary of State September 23, 2016.]

LEGISLATIVE COUNSEL'S DIGEST

AB 2007, McCarty. Youth athletics: youth sports organizations: concussions or other head injuries.

Existing law requires a school district, charter school, or private school, if it offers an athletic program, to immediately remove an athlete from an athletic activity for the remainder of the day if the athlete is suspected of sustaining a concussion or head injury, and prohibits the athlete from returning to the athletic activity until the athlete is evaluated by a licensed health care provider, trained in the management of concussions, and acting within the scope of his or her practice, and the athlete receives written clearance from the licensed health care provider to return to the athletic activity. Existing law also requires, on a yearly basis, a concussion and head injury information sheet to be signed and returned by the athlete and athlete's parent or guardian before the athlete's initiating practice or competition.

This bill would apply these provisions to athletes participating in youth sports organizations, as defined to include organizations, businesses, nonprofit entities, or local governmental agencies that sponsor or conduct amateur sports competitions, training, camps, or clubs in which persons 17 years of age or younger participate in any of 27 designated sports. The bill would require youth sports organizations to notify the parents or guardians of athletes 17 years of age or younger who have been removed from athletic activities due to suspected concussions, as specified. The bill would require youth sports organizations to offer concussion and head injury education, or related educational materials, or both, to each of their coaches and administrators on a yearly basis, as prescribed. The bill would require each of these coaches and administrators to successfully complete the concussion and head injury education offered under the bill at least once either online or in person.

The bill would also require a youth sports organization to identify procedures for ensuring compliance with the bill's requirements for providing concussion and head injury education and a concussion and head injury information sheet. The bill would additionally require the youth sports organization to identify procedures to ensure compliance with the athlete removal provisions and the return-to-play protocol, as

specified. The bill would specify that it applies to all persons participating in the activities of a youth sports organization, irrespective of their ages.

[Approved by Governor July 31, 2019. Filed with Secretary of

LEGISLATIVE COUNSEL'S DIGEST

AB 1, Cooper. Youth athletics: California Youth Football Act.

Under existing law, a school district, charter school, or private school that elects to offer an athletic program is prohibited from allowing a high school or middle school football team to conduct more than 2 full-contact practices, as defined, per week during the preseason and regular season, as defined, and from conducting a full-contact practice during the off-season.

This bill would express legislative findings and declarations relating to youth football and specifically relating to player safety. The bill, on and after January 1, 2021, would require a youth sports organization, as defined, that conducts a tackle football program to comply with certain requirements, including, among other things, not conducting more than 2 full-contact practices, as defined, per week during the preseason and regular season; not holding a full-contact practice during the off-season; having coaches receive a tackling and blocking certification, as specified; having designated personnel annually complete specified concussion and head injury education, a specified factsheet related to opioids, and designated training relating to heat-related illness, as defined; meeting specified requirements relating to safety equipment; having a licensed medical professional present during games, as specified; having coaches receive first aid, cardiopulmonary resuscitation, and automated external defibrillator certification; and inspecting safety equipment, as specified.

The bill, on and after January 1, 2021, would require a youth tackle football league to establish youth tackle football participant divisions that are organized by relative age or weight or by both age and weight, and to retain information for the tracking of youth sports injuries, as specified. The bill would declare that nothing in its provisions would prohibit any youth sports organization or youth tackle football league from adopting and enforcing rules providing a higher level of safety than the requirements of this bill.

BILL TEXT

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1.

(a) The Legislature finds and declares all of the following:

(1) Youth football's highest priority is the safety and well-being of its participants. California children must have the right to be protected with safe youth football standards and practices empowering parents to make informed choices regarding the elected activities of their children.

(2) Nationwide, over 2.5 million players, coaches, cheerleaders, and parent volunteers participate in youth football.

(3) Youth football promotes the values of teamwork, self-discipline, diversity, academics, nutrition, leadership, and acceptance.

(4) Youth football promotes an active lifestyle that helps combat obesity rates in youth, which have increased by 300 percent over the past four decades and that lead to a broad range of health problems previously not seen until adulthood, such as high blood pressure, type 2 diabetes, and elevated blood cholesterol levels.

(5) Youth sports have become increasingly expensive due to the elimination of after school sports programs and the proliferation of travel teams and tournament-centric scheduling, but youth football remains an affordable neighborhood-based sport that is accessible in every community in California, irrespective of socioeconomic status or geographic location.

|

(6) Football is one of California’s most popular sports, and the safety and well-being of the players is youth football’s top priority.

(7) Many youth football organizations have implemented policies requiring the annual or biannual recertification of all football helmets by the helmet manufacturer or by an independent third party and the replacement of helmets that are damaged or that do not meet the current safety standards or recertification requirements.

(8) New helmet testing standards are being implemented to enable players to wear the safest helmet possible, and manufacturers continue to advance helmet technology.

(9) Blocking and tackling techniques designed to remove the head from contact have become the nationwide standard for teaching blocking and tackling, and coaches are required to complete annual certification and continuing education in blocking and tackling techniques that emphasize the removal of the head from any blocking or tackling and that provide coaches with noncontact drills designed to reinforce this training.

(10) The federal Centers for Disease Control and Prevention Concussion Protocol Training has become standard for many youth football organizations and coaches in an attempt to minimize the risk of injury for youth football players, and the training is designed to identify those players who exhibit symptoms of a concussion, to prescribe protocols for the immediate removal of those players from the game or practice, and to outline stringent “return to play” protocols that coaches, players, and parents must follow after a youth football player has received clearance from a medical doctor before that player is allowed to return to full participation.

(11) Youth football organizations have implemented policies for concussion response, proper hydration, equipment fitting, and age and weight requirements.

(12) California prohibits high school and middle school football teams from conducting more than two full-contact practices per week during the preseason and regular season, and California also prohibits the full-contact portion of a practice from exceeding 90 minutes in any single day and completely prohibits full-contact practice during the off-season.

(13) The awareness of the possible injury risks associated with football are now widely known and accepted by parents, players, coaches, officials, medical professionals, and the general public.

(14) The decision to play youth football ultimately rests with the parents, after their thoughtful consideration of the risks and benefits, as to whether participation in youth football is in their child's best interest.

(15) In order to ensure youth tackle football participant safety and competitive play, youth tackle football leagues should be divided into divisions based on the participant's relative size and maturity, including classifications by appropriate weight, age, and size.

(b) It is therefore the intent of the Legislature to build upon prior legislation, including Assembly Bill 2007 (Chapter 516 of the Statutes of 2016), to improve youth tackle football safety with new safety standards while honoring youth tackle football's spirit and tradition.

Penal Code Sections 11165.7 and 11166

California Penal Code § 11166. Report of child abuse or neglect; mandated report; liability for failure to report; report by county probation or welfare department, or law enforcement agency, to investigatory agency and district attorney

(a) Except as provided in subdivision (d), and in Section 11166.05, a mandated reporter shall make a report to an agency specified in Section 11165.9 whenever the mandated reporter, in the mandated reporter's professional capacity or within the scope of the mandated reporter's employment, has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. The mandated reporter shall make an initial report by telephone to the agency immediately or as soon as is practicably possible, and shall prepare and send, fax, or electronically transmit a written followup report within 36 hours of receiving the information concerning the incident. The mandated reporter may include with the report any nonprivileged documentary evidence the mandated reporter possesses relating to the incident.

(1) For purposes of this article, "reasonable suspicion" means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing, when appropriate, on the person's training and experience, to suspect child abuse or neglect. "Reasonable suspicion" does not require certainty that child abuse or neglect has occurred nor does it require a specific medical indication of child abuse or neglect; any "reasonable suspicion" is sufficient. For purposes of this article, the pregnancy of a minor does not, in and of itself, constitute a basis for a reasonable suspicion of sexual abuse.

(2) The agency shall be notified, and a report shall be prepared and sent by fax or electronic transmission, even if the child has expired, regardless of whether or not the possible abuse was a factor contributing to the death, and even if suspected child abuse was discovered during an autopsy.

(3) A report made by a mandated reporter pursuant to this section shall be known as a mandated report.

(b) If, after reasonable efforts, a mandated reporter is unable to submit an initial report by telephone, the mandated reporter shall immediately or as soon as is practicably possible, by fax or electronic transmission, make a one-time automated written report on the form prescribed by the Department of Justice, and shall also be available to respond to a telephone followup call by the agency with which the mandated reporter filed the report. A mandated reporter who files a one-time automated written report because the mandated reporter was unable to submit an initial report by telephone is not required to submit a written followup report.

(1) The one-time automated written report form prescribed by the Department of Justice shall be clearly identifiable so that it is not mistaken for a standard written followup report. In addition, the automated one-time report shall contain a section that allows the mandated reporter to state the reason the initial telephone call was not able to be completed. The reason for the submission of the one-time automated

written report in lieu of the procedure prescribed in subdivision (a) shall be captured in the statewide child welfare information system. The department shall work with stakeholders to modify reporting forms and the statewide child welfare information system as is necessary to accommodate the changes enacted by these provisions.

(2) This subdivision shall not become operative until the statewide child welfare information system is updated to capture the information prescribed in this subdivision.

(3) This subdivision shall become inoperative three years after this subdivision becomes operative or on January 1, 2009, whichever occurs first.

(4) This section does not supersede the requirement that a mandated reporter first attempt to make a report via telephone, or that agencies specified in Section 11165.9 accept reports from mandated reporters and other persons as required.

(c) A mandated reporter who fails to report an incident of known or reasonably suspected child abuse or neglect as required by this section is guilty of a misdemeanor punishable by up to six months confinement in a county jail or by a fine of one thousand dollars (\$1,000) or by both that imprisonment and fine. If a mandated reporter intentionally conceals the mandated reporter's failure to report an incident known by the mandated reporter to be abuse or severe neglect under this section, the failure to report is a continuing offense until an agency specified in Section 11165.9 discovers the offense.

(d)(1) A clergy member who acquires knowledge or a reasonable suspicion of child abuse or neglect during a penitential communication is not subject to subdivision (a). For the purposes of this subdivision, "penitential communication" means a communication, intended to be in confidence, including, but not limited to, a sacramental confession, made to a clergy member who, in the course of the discipline or practice of the clergy member's church, denomination, or organization, is authorized or accustomed to hear those communications, and under the discipline, tenets, customs, or practices of the clergy member's church, denomination, or organization, has a duty to keep those communications secret.

(2) This subdivision does not modify or limit a clergy member's duty to report known or suspected child abuse or neglect when the clergy member is acting in some other capacity that would otherwise make the clergy member a mandated reporter.

(3)(A) On or before January 1, 2004, a clergy member or any custodian of records for the clergy member may report to an agency specified in Section 11165.9 that the clergy member or any custodian of records for the clergy member, prior to January 1, 1997, in the clergy member's professional capacity or within the scope of the clergy member's employment, other than during a penitential communication, acquired knowledge or had a reasonable suspicion that a child had been the victim of sexual abuse and that the clergy member or any custodian of records for the clergy member did not previously report the abuse to an agency specified in Section 11165.9. The provisions of Section 11172 shall apply to all reports made pursuant to this paragraph.

(B) This paragraph shall apply even if the victim of the known or suspected abuse has reached the age of majority by the time the required report is made.

(C) The local law enforcement agency shall have jurisdiction to investigate any report of child abuse made pursuant to this paragraph even if the report is made after the victim has reached the age of majority.

(e)(1) A commercial film, photographic print, or image processor who has knowledge of or observes, within the scope of that person's professional capacity or employment, any film, photograph, videotape, negative, slide, or any representation of information, data, or an image, including, but not limited to, any film, filmstrip, photograph, negative, slide, photocopy, videotape, video laser disc, computer hardware, computer software, computer floppy disk, data storage medium, CD-ROM, computer-generated equipment, or computer-generated image depicting a child under 16 years of age engaged in an act of sexual conduct, shall, immediately or as soon as practicably possible, telephonically report the instance of reasonably suspected abuse to the law enforcement agency located in the county in which the images are seen. Within 36 hours of receiving the information concerning the incident, the reporter shall prepare and send, fax, or electronically transmit a written followup report of the incident with a copy of the image or material attached.

(2) A commercial computer technician who has knowledge of or observes, within the scope of the technician's professional capacity or employment, any representation of information, data, or an image, including, but not limited to, any computer hardware, computer software, computer file, computer floppy disk, data storage medium, CD-ROM, computer-generated equipment, or computer-generated image that is retrievable in perceivable form and that is intentionally saved, transmitted, or organized on an electronic medium, depicting a child under 16 years of age engaged in an act of sexual conduct, shall immediately, or as soon as practicably possible, telephonically report the instance of reasonably suspected abuse to the law enforcement agency located in the county in which the images or materials are seen. As soon as practicably possible after receiving the information concerning the incident, the reporter shall prepare and send, fax, or electronically transmit a written followup report of the incident with a brief description of the images or materials.

(3) For purposes of this article, "commercial computer technician" includes an employee designated by an employer to receive reports pursuant to an established reporting process authorized by subparagraph (B) of paragraph (43) of subdivision (a) of Section 11165.7.

(4) As used in this subdivision, "electronic medium" includes, but is not limited to, a recording, CD-ROM, magnetic disk memory, magnetic tape memory, CD, DVD, thumbdrive, or any other computer hardware or media.

(5) As used in this subdivision, "sexual conduct" means any of the following:

(A) Sexual intercourse, including genital-genital, oral-genital, anal-genital, or oral-anal, whether between persons of the same or opposite sex or between humans and animals.

(B) Penetration of the vagina or rectum by any object.

(C) Masturbation for the purpose of sexual stimulation of the viewer.

(D) Sadomasochistic abuse for the purpose of sexual stimulation of the viewer.

(E) Exhibition of the genitals, pubic, or rectal areas of a person for the purpose of sexual stimulation of the viewer.

(f) Any mandated reporter who knows or reasonably suspects that the home or institution in which a child resides is unsuitable for the child because of abuse or neglect of the child shall bring the condition to the attention of the agency to which, and at the same time as, the mandated reporter makes a report of the abuse or neglect pursuant to subdivision (a).

(g) Any other person who has knowledge of or observes a child whom the person knows or reasonably suspects has been a victim of child abuse or neglect may report the known or suspected instance of child abuse or neglect to an agency specified in Section 11165.9. For purposes of this section, "any other person" includes a mandated reporter who acts in the person's private capacity and not in the person's professional capacity or within the scope of the person's employment.

(h) When two or more persons, who are required to report, jointly have knowledge of a known or reasonably suspected instance of child abuse or neglect, and when there is agreement among them, the telephone report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report.

(i)(1) The reporting duties under this section are individual, and no supervisor or administrator may impede or inhibit the reporting duties, and no person making a report shall be subject to any sanction for making the report. However, internal procedures to facilitate reporting and apprise supervisors and administrators of reports may be established provided that they are not inconsistent with this article. An internal policy shall not direct an employee to allow the employee's supervisor to file or process a mandated report under any circumstances.

(2) The internal procedures shall not require any employee required to make reports pursuant to this article to disclose the employee's identity to the employer.

(3) Reporting the information regarding knowledge of or reasonably suspected child abuse or neglect to an employer, supervisor, school principal, school counselor, coworker, or other person shall not be a substitute for making a mandated report to an agency specified in Section 11165.9.

(j)(1) A county probation or welfare department shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the law enforcement agency having jurisdiction over the case, to the agency given the responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code, and to the district attorney's office every known or reasonably suspected instance of child abuse or neglect, as defined in Section 11165.6, except acts or omissions coming within

subdivision (b) of Section 11165.2, or reports made pursuant to Section 11165.13 based on risk to a child that relates solely to the inability of the parent to provide the child with regular care due to the parent's substance abuse, which shall be reported only to the county welfare or probation department. A county probation or welfare department also shall send by fax or electronic transmission a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.

(2) A county probation or welfare department shall immediately, and in no case in more than 24 hours, report to the law enforcement agency having jurisdiction over the case after receiving information that a child or youth who is receiving child welfare services has been identified as the victim of commercial sexual exploitation, as defined in subdivision (d) of Section 11165.1.

(3) When a child or youth who is receiving child welfare services and who is reasonably believed to be the victim of, or is at risk of being the victim of, commercial sexual exploitation, as defined in Section 11165.1, is missing or has been abducted, the county probation or welfare department shall immediately, or in no case later than 24 hours from receipt of the information, report the incident to the appropriate law enforcement authority for entry into the National Crime Information Center database of the Federal Bureau of Investigation and to the National Center for Missing and Exploited Children.

(k) A law enforcement agency shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the agency given responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code and to the district attorney's office every known or reasonably suspected instance of child abuse or neglect reported to it, except acts or omissions coming within subdivision (b) of Section 11165.2, which shall be reported only to the county welfare or probation department. A law enforcement agency shall report to the county welfare or probation department every known or reasonably suspected instance of child abuse or neglect reported to it that is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or as the result of the failure of a person responsible for the child's welfare to adequately protect the minor from abuse when the person responsible for the child's welfare knew or reasonably should have known that the minor was in danger of abuse. A law enforcement agency also shall send by fax or electronic transmission a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.
