

Sun Protection Policy

Camp Funtastic Campers spend time indoors and outdoors during our day. Due to extended periods of time outdoors campers are exposed to the sun's harmful rays. At Camp Funtastic we want to work with parents to make sure campers are protected at all times. Please read the Camp Funtastic's Sunscreen policy as follows:

- It is strongly recommended that all campers wear sunscreen with an SPF of at least 15 on all exposed skin (including lips) daily.
- Parents/Legal Guardians are responsible for applying the first heavy layer of sunscreen prior to morning drop off.
- Parents/Legal Guardians are responsible for providing their camper(s), one per camper, with enough sunscreen (in a sealed container), labeled with the camper's first and last name, to take with them for later daily applications.
- In order to assist the Camp Funtastic Staff, please ensure your camper knows how to apply sunscreen to his/her body. Each camper will be responsible for applying sunscreen, under staff supervision, to his/her skin personally. When necessary a Camp Funtastic Staff member will assist campers, only when another Camp Funtastic Staff member is present, with areas of exposed skin that are out of reach.
- If sunscreen is needed and a camper has not provided their own, the camp may provide sunscreen unless there is a written notice to the contrary from a parent or guardian.
- Campers will be reminded to apply sunscreen at least twice during each day. If your camper(s) requires sunscreen more often, parents must provide written instructions on how often your camper(s) should apply their own sunscreen.
- It is recommended that campers wear proper clothing to prevent sunburns, such as broad brimmed hats, rash guards, and light long sleeve shirts.
- The Camp Funtastic Staff will make every effort to watch campers for sunburns, but cannot be responsible for campers who have a fair complexion or forget/refuse to apply their sunscreen.
- If, for any reason, campers cannot/will not apply sunscreen, he/she may not be able to participate in outdoor activities for his/her own protection.

I verify that I have read, understand, and agree to comply with the Camp Funtastic Sun Protection Policy. I also understand that if at any time I fail to comply with the policy, my child(ren) *may* not be allowed to participate in an outdoor activity for their own protection.
