General Manager Mary Otten introduced Richard Bernard with FM3 Research who presented his Voter Opinion Survey results online. In February 2024, a statistically random sample of likely District voters was contacted by phone, email and text for opinions on the District and possible ballot measures. Whereas most of those surveyed thought the District was going in the right direction with its programs, etc., there were not enough who felt that there was a need for additional funding or who would support a parcel tax measure in November which would need a 2/3 approval to pass. People want programs, but do not necessarily want to pay for the buildings or infrastructures needed.

PLEASANT VALLEY RECREATION AND PARK DISTRICT STAFF REPORT / AGENDA REPORT

TO: BOARD OF DIRECTORS

FROM:MARY OTTEN, GENERAL MANAGERBy: Justin Kiraly, Administrative Services Manager

DATE: July 3, 2024

SUBJECT: FINANCE REPORT MAY 2024

ANALYSIS OF COMPARATIVE FINANCIALS THROUGH MAY 31, 2024

The District's Statements of Revenues and Expenditures for the period of May 1, 2024, through May 31, 2024, with a year-to-date comparison for the period of May 1, 2023, through May 28, 2023, are attached. The percentage rate used is 91.7% for Period 11 of the current fiscal year. All dollar amounts are rounded.

REVENUES

Total revenue including the 11th month ending May 31, 2024, for Fund 10 (General Fund) has an overall increase of \$1,240,289 in comparison to Fiscal Year 2022-2023. The variance from the prior year includes: 1) increase in Tax Apportionments (5110-5240) of \$554,062, 2) increase in Rentals (5530) of \$263,883, 3) increase in Public Fees (5510-5520) received of \$110,171, and 4) increase in Interest Revenue (5310) received of \$240,839. The increase in Rentals is due to increases in actual rentals as well as increases in rental fees. Public fees have seen an increase due to continued interest from residents in District offered services, such as Camp Funtastic. Interest rates and cash balances continue to stay higher than last year, leading to increased returns.

Total revenue recorded for Fund 20 for May 2024, the Assessment District Fund, was \$4,946 in Interest and \$528,880 in Assessment Revenue, with an overall year-to-date increase of \$54,884 from the year prior.

Total revenue recorded for Fund 30 for May 2024, the Quimby Fund, was \$18,327 in interest. Quimby funds are only collected when new housing developments are subdivided.

Total revenue recorded for Fund 40 for May 2024, the Park Impact Fees Fund, was \$9,641 in interest. Park Impact Fees are only collected when certain requirements are met for whenever additional square footage is added to either residential or commercial properties, following certain criteria.

PLEASANT VALLEY RECREATION AND PARK DISTRICT STAFF REPORT / AGENDA REPORT

TO: BOARD OF DIRECTORS

FROM: MARY OTTEN, GENERAL MANAGER By: Justin Kiraly, Administrative Services Manager

DATE: July 3, 2024

SUBJECT:CONSIDERATION AND ADOPTION OF RESOLUTION
NO. 770 FOR APPROPRIATION AMOUNT SUBJECT TO
GANN LIMITATION, FY 2024-2025

BACKGROUND

Every fiscal year, Staff brings a resolution requesting the Board adopt a resolution setting the Gann Limit for the upcoming fiscal year.

Article XIIIB of the California Constitution specifies that appropriations made by governmental entities may increase annually by the change in population and the change in the California Per Capita Personal Income.

While the percent change in California Per Capita Personal Income used in setting the fiscal year 2024-2025 appropriations limit is a statewide figure, the District population decrease is the percent change in population for the City of Camarillo. The City population and California Per Capita Personal Income changes are provided by the State Department of Finance.

In calculating the appropriation amount subject to limitation, fiscal year 1978-1979 was designated as the base year in the amount of \$1,769,843 with adjustments to be made in subsequent years according to the criteria as referenced above. Per Capita Personal Income changed by 3.62% and the estimated Change in Population was -0.35%.

ANALYSIS

Every May the California State Department of Finance generates an estimate of the percentage change in population to local governments. Each local jurisdiction must use the percentage change in population in conjunction with the change in the cost of living or price factor to calculate the appropriations limit for the upcoming fiscal year. The new appropriations limit is calculated by staff and presented to the Board via consent item. Special districts are required by law to calculate their appropriations limit and present the calculation with their annual audit. Staff has made the calculations, and the limitation amount for fiscal year 2024-2025 is \$14,744,850 as indicated in Attachment 2.

FISCAL IMPACT

There is no fiscal impact.

STRATEGIC PLAN COMPLIANCE

Meets 2021-2026 Strategic Plan Goal

• 1.2: Utilize best accounting practices and forecast and optimize revenue while controlling expenditures.

RECOMMENDATION

It is recommended that the Board adopt Resolution No. 770 setting the fiscal year 2024-2025 appropriations amount subject to the Gann Limits.

A. **Price Factor**: Article XIII B specifies that local jurisdictions select their cost of living factor to compute their appropriation limit by a vote of their governing body. The cost of living factor provided here is per capita personal income. If the percentage change in per capita personal income is selected, the percentage change to be used in setting the fiscal year 2024-25 appropriation limit is:

Per Capita Personal Income

Fiscal Year	Percentage change
(FY)	over prior year
2024-25	3.62

B. Following is an example using sample population change and the change in California per capita personal income as growth factors in computing a 2024-25 appropriation limit.

2024-25:

Per Capita Cost of Living Change = 3.62 percent Population Change = 0.17 percent

Per Capita Cost of Living converted to a ratio:	$\frac{3.62 + 100}{100} = 1.0362$
Population converted to a ratio:	$\frac{0.17 + 100}{100} = 1.0017$
Calculation of factor for FY 2024-25:	1.0362 x 1.0017 = 1.0379

DATE: July 3, 2024

CONSIDERATION AND ADOPTION OF RESOLUTION SUBJECT: JULY AS PARK AND NO. 771 DECLARING **RECREATION MONTH**

BACKGROUND

The month of July is recognized as National Park and Recreation Month. Each year, the Board has chosen to recognize the value and importance of recreation and parks as a cornerstone to the health and wellness of residents.

Americans have celebrated National Park and Recreation Month during the month of July since 1985. Through efforts of the National Recreation and Park Association ("NRPA"), the U.S. House of Representatives passed an official resolution for Park and Recreation Month in 2009. At the state level, the California Parks and Recreation Society ("CPRS") recognizes it as "July is Parks Make Life Better" month. NRPA and CPRS encourage its members to plan events and initiatives that will remind the community of the exciting and vital role that recreation and parks play in our lives.

<u>ANALYSIS</u> Staff is presenting a resolution proclaiming the month of July as Park and Recreation Month. Resolution No. 771 not only recognizes the need for parks and recreation but also draws attention to the District's goals of furthering health, wellness, conservation, and social opportunities by providing equitable programs and events.

SUBJECT: CONSIDERATION AND APPROVAL OF RESOLUTION NO. 772 FOR FISCAL YEAR 2024-2025 BUDGETS FOR THE GENERAL FUND, ASSESSMENT DISTRICT FUND, QUIMBY FEE FUND, PARK IMPACT FEE FUND, COMMUNITY DEVELOPMENT BLOCK GRANT FUND, AND RESTRICTED DONATIONS FUND

SUMMARY

Every year a public hearing is held to adopt the proposed fiscal year budget for the District. The hearing is required before the District can pass a resolution to adopt the Fiscal Year 2024-2025 Budget. Staff is requesting that the Board adopt the FY 2024-2025 Budget for the Pleasant Valley Recreation and Park District consisting of budgets for the General Fund, Assessment District, Quimby Fees Fund, Park Impact Fees Fund, Community Development Block Grant Fund, and Restricted Donations Fund.

BACKGROUND

On April 27, 2024, the District held a public workshop for the proposed Fiscal Year 2024-2025 budget. The public received notice of this workshop through the posting of an agenda.

At the end of the workshop, the proposed budgets were presented and approved by the Board at the June 5, 2024, Board Meeting as required by Public Resources Code 5788. Also, per Public Resources Code 5785.1(b), the notice of a public hearing was posted on June 18, 2024, in the *Ventura County Star*. The notice served to announce the public hearing on the adoption of the final budget at the July 3, 2024, Board meeting. The Board has until August 30, 2024, to adopt a final budget as required by Public Resource Code 5788.5.

With the expectation of the ratification of a new Memorandum of Understanding (MOU) with the Union [Service Employee's International Union] for fiscal years 2025-2027, increases to the budget from the workshop reflect a 5% Cost of Living Adjustment (COLA) and increases in cell phone stipends and uniform allowances.

The proposed operating budgets for FY 2024-2025 strive to continue to move the District along the path of fiscal sustainability with a commitment to capital improvement projects. A central component of this budget is to develop a balanced spending plan that factors in salary and benefit expenses, identifying essential service needs, technological demands, changing legislation and regulations, and infrastructure maintenance issues. The fiscal year budgets being presented to the

Board reflects \$82,880 in revenue over expenses for the General Fund (Fund 10) with revenue at \$11,545,086 and expenses at \$11,462,206 including capital improvement projects of \$1,405,152. The Assessment District (Fund 20) shows revenue over expenses of \$23,935 with revenue at \$1,376,735 and expenses at \$1,352,800. The Quimby Fund (Fund 30) has limited revenue of \$200,000, drawdown of reserves of \$3,200,157, and does not budget for Park Dedication Fees as those are not guaranteed revenue. The Quimby Fund shows five capital improvement projects totaling \$3,200,157 for the fiscal year. These projects include: a Pickleball Sports Complex started in FY 2021-2022, the Multi-Generation Center, ADA improvements at Freedom Park, Enhancements for the Senior/Community Center, and Enhancements for the Community Center/Classrooms. Park Impact Fees (Fund 40) has a limited revenue of \$65,000 and no expenses. The Community Development Block Grant Fund (Fund 50) for Food Share has been completely expended. The Restricted Donations Funds (Fund 60) has no planned projects or funds.

The analysis for Fund 20 (Assessment District) is as follows:

- No changes from April 27th Budget Workshop
- Balanced budget with an excess of \$23,935
- Assessment Revenue has increased \$47,864 due to 3.0% increase in Assessment Tax

FUND 30 – Quimby Fees

Quimby Fees (Fund 30) are a fee that is received from developers in lieu of land when a parcel is subdivided and may only be used for developing new parks/recreation facilities or rehabilitating existing neighborhood or Community Park/Recreational Facilities to increase capacity. The District does not budget for Park In-Lieu Fees but does budget for interest earnings. The District budgeted \$200,000 in interest earnings, taking into consideration the balances that are in the Ventura County Pool, Pacific Western Bank, and California CLASS. This high return is expected due to the continued increase in Fed rates. While the Fed rate is expected to begin decreasing in calendar year 2024, the District expects elevated rates to last through the majority of FY 2024-2025.

The following Fund 30 projects are carryover projects planned for FY 2024-2025 and all projects will be paid with Quimby Fee Funds:

Project Name	Budgeted Cost
Pickleball Sports Complex at Freedom Park	\$1,100,000
Multi-Generational Center	\$1,000,000
Senior/Community Center Enhancements	\$355,964
Community Center/Classroom Enhancements	\$244,193

The below listed are new projects for FY 2024-2025:

Project Name	Budgeted Cost
Freedom Park Restrooms ADA	\$500,000

FUND 40 – Park Impact Fees

Fund 40 is a park impact fee established by the City of Camarillo Municipal Code that new nonsubdivision residential developments and new or expanded non-residential developments pay. These fees cannot be used to fund parkland acquisition nor the renovation of existing facilities unless the renovations add new service capacity.

Account Type	Budgeted Amount
Revenue	\$65,000
Expenses	\$0

The high revenue budget is based on expected interest earnings.

There are no Personnel or Services and Supplies expenses budgeted for this fund this year.

FUND 50 – Community Development Block Grant (CDBG)

Fund 50 is a three-year program that is funded by a federal grant that allows the District to partner with Food Share of Ventura County to distribute food to help fight against hunger in Ventura County. The CDBG federal funding has been completely spent and there are no funds to budget.

FUND 60 – Restricted Donations

Restricted Donations (Fund 60) are donations that are received with a specific project or purpose. Since these funds are accepted with these restrictions in place, they are kept in their own fund. Currently, the District has no projects that are funded by restricted donations.

FISCAL IMPACT

Changes made to the FY 2024-2025 budget since the June 5, 2024, budget approval are:

- COLA of 5% instead of 3% due to expected adoption of Union MOU and increased cell phone allowance for frontline workers to \$20 per pay period. Increase of \$74,756 to Personnel.
- Other Misc Revenue increase of \$53, due to COLA increase for personnel using HCF Grant funds, resulting in 50% revenue of increase costs.
- Uniform Allowance increase of \$50 per Ranger Uniform. Increase of \$300 to Services and Supplies
- Safety Clothing increase of \$50 per safety boots. Increase of \$1,050 to Services and Supplies.
- Removal of drawdown and professional services amounts of \$125,000 for project not being budgeted. Net \$0 change.
- Removal of budget for Fund 50 CDBG, as all of the grant funds have been spent.

There is no fiscal impact with this budget.

PLEASANT VALLEY RECREATION AND PARK DISTRICT STAFF REPORT / AGENDA REPORT

TO: BOARD OF DIRECTORS

- FROM:MARY OTTEN, GENERAL MANAGERBy: Justin Kiraly, Administrative Services Manager
- **DATE:** July 3, 2024

SUBJECT: CONSIDERATION AND ADOPTION OF RESOLUTION NO. 773 APPROVING THE FIVE-YEAR CAPITAL IMPROVEMENT PROGRAM (CIP) FOR FISCAL YEARS 2025-2029

BACKGROUND

A five-year Capital Improvement Program (CIP) gives District staff direction and informs the public of the planned capital improvements of District-owned facilities and assets. A CIP is necessary to allow for informed decisions in the budget-making process and for outlining the priority items and their timelines for the District.

The proposed five-year CIP was presented to the Board on April 27, 2024, at the FY 2024-2025 public budget workshop. The CIP is now being presented at a public hearing for formal adoption.

ANALYSIS

The final proposed CIP continues the District's commitment to enhancing and maintaining its parks and facilities. The five-year average of capital spending from General Funds is \$1,332,030 with an average of 10 projects a year. The following chart shows the year-by-year spending.

	<u>2024/25</u>	<u>2025/26</u>	<u>2026/27</u>	<u>2027/28</u>	<u>2028/29</u>
ANNUAL TOTAL:	\$4,615,551	\$1,840,000	\$1,660,000	\$1,070,000	\$710,000
Number of Projects	20	14	8	5	5
General Fund	\$1,380,152	\$1,840,000	\$1,660,000	\$1,070,000	\$710,000
Quimby Fund	\$3,235,399	\$0	\$0	\$0	\$0

It is important to note that the CIP is a guiding document, much like the budget, and is not set in stone. The CIP will be reviewed every year, and if there are situations that require changes to the five-year plan, they will be discussed at the appropriate time.

The CIP makes note of the funding source for each project.

FISCAL IMPACT

There is no direct fiscal impact of adopting the five-year CIP. However, the CIP will guide the budgeting process each year, and the impact will be shown in each Fiscal Year budget.

SUBJECT: CONSIDERATION AND APPROVAL OF RESOLUTION NO. 774 TO ACCEPT, ADOPT AND IMPLEMENT THE TENTATIVE AGREEMENT, SEIU MOU 2024-2027 THAT WAS REACHED BETWEEN THE LABOR NEGOTIATION REPRESENTATIVES FROM THE DISTRICT AND SERVICE EMPLOYEES INTERNATIONAL UNION LOCAL 721 REPRESENTING DISTRICT EMPLOYEES

SUMMARY

In April 2024, labor negotiations began with representatives from the Pleasant Valley Recreation and Park District ("District") and the Service Employees International Union Local 721 representing District employees ("SEIU Local 721" or "Union"). Both parties reached a tentative agreement on June 7, 2024.

BACKGROUND

In 2015, the District and SEIU Local 721 entered into their first three-year Memorandum of Understanding ("SEIU MOU 2015-18"). This original SEIU MOU 2015-18 expired on June 30, 2018. The District's negotiation team has been meeting with SEIU Local 721 labor representatives since May of 2018 regarding a successor MOU. On October 14, 2020, the District approved Resolution No. 618 to accept, adopt and implement both the Tentative Agreement for a Successor Memorandum of Understanding ("Successor MOU") between the District and SEIU Local 721.

The term of the Successor MOU was from July 1, 2018, and expiring on June 30, 2021. The Successor MOU between the District and SEIU did expire June 30, 2021; however, the District's past practice honors the terms and intent of the expired MOU until the full ratification of a successor agreement. The proposed successor MOU was arrived at through the regular meet-and-confer process as outlined in state law. Both parties reached a tentative agreement on January 12, 2022, and expired on June 30, 2024.

ANALYSIS

Pursuant to Government Code Section 3505.1, if a tentative agreement (or side letter agreement) is reached by the authorized representatives of a public agency and a recognized employee organization, the governing body of the public agency must vote to accept or reject the tentative

agreement within 30 days of the date it is first considered at a duly noticed public meeting. A decision by the governing body to reject the tentative agreement does not, however, bar the filing of an unfair labor practice charge for failure to meet and confer in good faith. If the governing body adopts the tentative agreement, the parties shall jointly prepare a written memorandum of understanding.

The Parties have reached a tentative agreement on the terms for a successor MOU ("SEIU MOU 2024-2027"), which has been memorialized within Attachment 1. This Tentative Agreement was ratified by the members of SEIU Local 721 and affirmed and executed by the labor representatives of the respective parties on June 21, 2024.

The proposed changes to be incorporated into a successor MOU are detailed in the attached Tentative Agreement or SEIU MOU 2024-2027. Below is an overview of the major updates:

- Term of Agreement: July 1, 2024, to June 30, 2027 (3 years)
- Salary Plan: A 5% Cost of Living Adjustment ("COLA") will be effective the first full pay period after this MOU has been ratified by the Union and approved by the District Board, and effective the first pay period commencing on or after July 1, 2025, a 3% COLA and July 1, 2026, a 4% COLA.
- **Promotion Between Classifications**: The required hours of Human Resources training to advance to a Grounds II position have been reduced from 12 hours to 6 hours.
- **Overtime and Compensatory Time**: The compensation for on-call worked has increased from \$40 to \$50.
- Work Clothing: The uniform allowance for steel-toed/safety boots increases from \$200 to \$250; the allowance for Park Rangers/Lead increased from \$200 to \$250.
- **Holidays**: Employees have the choice of receiving time and a half for working an approved holiday or they can choose to bank the holiday to use within 90 days.
- **Bilingual Pay**: The District has committed to a 6-month study to assess the need for bilingual pay.
- Cell Phone Allowance: Employees who are not provided with a landline or who may be away from their desks for long periods of time received an increase to their allowance from \$14 per pay period to \$20.00.

FISCAL IMPACT

The impact of the 5% COLA for Year 1 has been included in the current FY 2024-2025 budget, the 3% COLA in Year 2 is estimated to cost \$32,500, and the 4% COLA in Year 3 is estimated to cost \$43,500. The impact of the work clothing is approximately \$1,350, the cell phone allowance at \$2,110, and the overtime/compensatory time for on-call is \$1,680.

STRATEGIC PLAN COMPLIANCE

Meets 2021-2026 Strategic Plan Goal

• **5.0**: Attract and retain the best staff through appropriate compensation, training, resource provisions, success planning, and opportunities for individual development in a safe working environment.

RECOMMENDATION

It is recommended the Board consider and approve Resolution No. 774, to accept, adopt, and implement the tentative agreement, SEIU MOU 2024-2027 that was reached between the labor negotiation representatives from the District and Service Employees International Union Local 721 representing District employees.

- A. It is the purpose of this Memorandum ("MOU") to promote and provide for harmonious relations, cooperation, and understanding between the Pleasant Valley Recreation & Park District ("District") and Service Employees International Union Local 721 ("Union"), the recognized employee organizations representing employees in the Miscellaneous Unit covered herein; to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise under this MOU; and to set forth the full and entire understanding of the parties reached as a result of meeting and conferring in good faith concerning wages, hours, and other terms and conditions of employment of employees covered herein. - B. The District continues to recognize the Union as a sole and exclusive bargaining representative for the Miscellaneous Unit comprised of the full-time, part-time year-round, part-time restricted and seasonal/temporary part-time employees occupying the classifications listed in Appendix A hereto.

ARTICLE 2 — **PVRPD MANAGEMENT RIGHTS**

Management of the District is vested exclusively in the District. All management functions, rights, and prerogatives, written or unwritten, which have not been modified or restricted by an express written provision of this MOU are retained and vested exclusively in the District's management and may be exercised by management at its sole discretion. Management functions, rights, and prerogatives include the District's right to determine and effect its mission, programs, objectives, activities, resources, and priorities; establish and administer procedures, rules and regulations, and direct and control the District's operations; alter, extend, or discontinue operations, including, but not limited to existing equipment, facilities, and location of operations; determine and modify change and furlough the number, qualifications, scheduling, responsibilities and assignment of employees; establish, maintain, change, and enforce standards of

ARTICLE 3 — UNION RIGHTS

- A. Visits by Union Representatives: Accredited representatives of the Union will be granted reasonable access to District facilities and employees for purposes of investigation of grievances and official Union business, provided Union representatives shall provide twenty-four (24) hours advance notice to the supervisor in charge of the work area that is being visited. Such visits shall not interfere with the normal operations of the department.
- B. A designated Union staff member shall be given reasonable access to work locations during working hours, provided that such visits do not unduly interfere with the District's operations, and that advance notification of the visit has been given. The Union stewards shall be given similar access during their lunch and rest periods. These visits shall be to observe working conditions or to investigate grievances.
- C. The District agrees that Union-related activities by stewards of the Union shall not affect the promotional opportunities of said employees.
- D. Bulletin Boards: The Union will be allowed to use space designated by the District on existing bulletin boards where available to post notices regarding Union business. Use of the boards shall be limited to the five (5) general types of notices:
 - 1. Listings of names, work location and telephone extensions of Union Officers and Officials
 - 2. Union meetings
 - 3. Union elections

- 4. Union recreational and social events
- 5. Union education notices
- E. The Union will provide Human Resources or designee a copy of any materials to be posted no later than one business day prior to the posting.
- F. Union members shall designate up to three (3) members as its Union stewards. Union shall notify Human Resources or designee of this designation annually on or before February 1.
- G. The Union shall also notify the Human Resources Supervisor of any change in Union stewards within fourteen (14) days of the change.
- H. If the represented employees' elected representative is <u>also</u> elected to the SEIU Local 721 Executive Board, then the District agrees to allow up to one regularly scheduled workday per month of pre-approved vacation for such employees (vacation requests must be made in accordance with MOU guidelines) to attend the SEIU Executive Board meetings.
- I. Union Release Time. Pursuant to Government Code section 3505.3, the District shall allow the employee stewards a reasonable time off without loss of compensation or other benefits when they are participating in any one of the following activities:
 - 1. Formally meeting and conferring with representatives of the District on matters within the scope of representation;
 - 2. Testifying or appearing as the designated representative of Union in conferences, hearings, or other proceedings before the Public Employment Relations Board, or an agent thereof, in matters relating to a charge filed by the Union against the District or by the District against the Union; and
 - 3. Testifying or appearing as the designated representative of the Union in matters before a personnel or merit commission.
- J. Union Representative Leave of Absence. Pursuant to Government Code section 3558.8, the District shall grant to employee stewards, upon written request of the Union, reasonable leaves of absence without loss of compensation or other benefits for the purpose of enabling employees to

serve as stewards or representatives or officers of the exclusive representative, or of any statewide or national employee organization with which the Union is affiliated.

- The Union shall reimburse the District for all compensation paid to the employee on leave. Reimbursement by the Union shall be made on or before thirty (30) days after receipt of the District's certification of payment of compensation to the employee.
- 2. At the conclusion or termination of leave granted under this section, the employee shall have a right of reinstatement to the same position and work location held prior to the leave, or, if not feasible, a substantially similar position without loss of seniority, rank, or classification.
- The Union has no obligation to use leave under this section for an employee and may terminate that leave at any time, for any reason. The District reserves the right to recall any employee on leave pursuant to these sections due to an emergency.
- 4. Compensation Compensation for release time shall not exceed the employee stewards' standard schedule of hours per day and shall not include compensation for overtime. Compensation shall include retirement fund contributions required of the District as an employer. The employee shall earn full-service credit during the leave of absence and shall pay their member contributions. The leave of absence without loss of compensation or other benefits provided for by this section is in addition to the release time without loss of compensation or other benefits granted to representatives of the Union under applicable laws or this MOU.
- Written Notice Pursuant to Government Code sections 3505.3 and 3558.5, for leave requests for three consecutive days or less, the Union shall submit a written request to the employee steward's Department Head at least seven (7) days in advance of the requested

leave of absence. For leave requests of greater than three (3) consecutive days, the Union shall submit their written request at least thirty (30) calendar days in advance of the requested leave of absence. The written request shall include the purpose, dates, and duration of the requested leave.

- 6. Approval or Denial of Leave A request for leave of absence may be granted on a full-time, part-time, periodic, or intermittent basis and will be approved if it does not substantially interfere with the performance of District services and operations. If leave is denied, the Department Head shall provide the Union with written notification of the reasons why the requested leave is denied. If granting the requested leave would create an operational hardship for the District, the parties agree to meet and confer regarding the requested leave in order to identify mutually acceptable alternative dates or amount of leave.
- 7. Reporting The Union or the employee shall be required to execute any payroll forms, certifications of time, or other documents as required by the District to ensure that the time reporting is accurate and that the employee is performing the duties of a steward or officer or representative of the Union during all reported working hours.
- 8. Indemnification The District shall not be liable for an act or omission of, or an injury suffered by, an employee of the District if that act, omission, or injury occurs during the course and scope of the employee's leave under this section to work for the Union. If the District is held liable for such an act, omission, or injury, the Union shall indemnify and hold harmless the District.

ARTICLE 4 — TERMS OF AGREEMENT

- A. This MOU commences at 12:01 am on July 1, 2024, and is effective to and including 12 midnight, June 30, 2027, except as otherwise stated herein.
- B. In the event either the District or Union desires to meet and confer in good faith on amendments to wages, hours, and other terms and conditions of

employment, either party may serve upon the other during the period from February 1 to February 28 of 2027 its written request to commence meetand-confer sessions for a successor MOU.

C. Any and all economic enhancements in this MOU beginning Fiscal Year 2024/2025 will be effective the first full pay-period following the final MOU ratification by the Union and approved by the District Board.

ARTICLE 5 — OBLIGATION TO SUPPORT MOU

The negotiators for the District and Union agree that both have the obligation to support this MOU before their own constituents, and neither will advocate any amendment, addition or deletion to the terms and conditions contained herein during such ratification and adoption of this MOU. It is further understood that this Article shall not preclude the parties from appearing before the Pleasant Valley Recreation and Park District Board of Directors to advocate or urge the approval of this MOU in its entirety.

ARTICLE 6 — MEET-AND-CONFER SESSIONS

- A. Union may designate not more than four (4) District Union members to serve as members of Union's meet-and-confer team. No more than three meetand-confer team members shall be present at any meet-and-confer session, with the fourth member serving as an alternate. A reasonable effort will be made to allow Union employees to have their work hours and/or duty days adjusted so that they will be on active duty during negotiations. No employee shall receive overtime for time spent negotiating if it is not possible to adjust their work schedule. Participation in negotiations does not release any employee from the responsibilities of their full-time employment requiring immediate attention or action.
- B. The above provisions of this Article shall be subject to (1) the operational requirements of the District, and (2) the requirements that the Union member who wishes to be excused from their official duties hereunder requests such from their immediate supervisor no less than two working days in advance, except that this requirement may be waived with the express approval of the employee's immediate supervisor in the case of an unforeseeable emergency meeting.

- C. It is understood by the District and Union that amendments to the existing MOU presented for meet-and-confer sessions shall be accompanied by a statement signed by a Union representative and meet-and-confer team members declaring that the proposed amendments have been accepted in principle by a majority of the membership of the Union for the purpose of meet-and-confer sessions with the District.
- D. No less than 120 days prior to the expiration of this MOU, the Union shall notify the District of the three employee-members of the committee. So that the Union can better prepare to timely commence bargaining over the terms of a successor MOU, between 120 and 60 days prior to expiration of this MOU, the District shall release the three designated committee members from active employment for six total hours on days to be determined by Union. Each employee who on any such day would have otherwise been actively engaged on the job shall be paid straight-time hours as if they were, in fact, actively on the job.

ARTICLE 7 — GRIEVANCES AND REPRESENTATION

- A. Grievance: A "grievance" shall mean a written allegation by an employee(s) or Union concerning dispute arising out of the interpretation or application of the specific terms of this MOU and/or written employment policy, rules and regulations which affect conditions of employment. District actions subject to the disciplinary appeals process set forth in Article 14 shall not be considered a "grievance", nor subject to this grievance procedure. Disciplinary Actions against "for cause" represented employees shall not be considered a "grievance", nor subject to this grievance procedure. An authorized Union representative may file a "grievance" on behalf of all employees to avoid a multiplicity of grievances over the same dispute.
- B. The District recognizes that employees may have complaints, suggestions, or questions about their job, working conditions, or treatment at work. Goodfaith complaints, questions, and suggestions are helpful to the District. The overall policy of this procedure is to provide for the resolution of grievances at the lowest level within the employment hierarchy.

- C. The District agrees that, during the term of this MOU, it shall recognize Union representatives in the handling of grievances arising on the job when so informed in writing by the grieving employee.
- D. Union shall notify the District of the name of the Union staff member to represent the employee prior to any hearing on the grievances; such written notification shall cite the applicable MOU provision, include the basis for the grievance and state the requested remedy. Receipt of notification shall be acknowledged by the District.
- E. A grievance shall not be valid unless it is submitted to the District's designee, in writing, setting forth the facts and the specific provisions of the MOU allegedly violated and the particular relief sought within ten (10) business days after the date the grievant knew or in the exercise of reasonable diligence, should have known, of the event giving rise to the grievance occurred. Failure to file or process any grievance within the prescribed time limitation will bar grievance.
- F. If the grievance is not satisfactorily resolved in the second step, at the employee's request, it shall be submitted to advisory mediation with the California State Mediation & Conciliation Service within ten (10) business days after the Department Manager's answer is received, or as soon as a mediator is available. Advisory mediation will involve the employee and their representatives and the Department Manager and *any* staff deemed appropriate. The mediation meeting will be scheduled by Human Resources. If the grievance is not satisfactorily resolved during this process, within thirty (30) calendar days after the mediation session, the employee may have the grievance, including the mediator's analysis and recommendation, submitted to the General Manager. The General Manager shall have the final decision; however, if it were to involve the General Manager. If all parties were involved, the General Manager could use an outside consultant determined by the District.

ARTICLE 8 — USE OF AGENCY FACILITIES

The District interposes no objection to Union's use of District buildings and facilities to conduct meetings of the Union, providing the meeting space is

arranged for in accordance with existing policies, procedures and such space is available.

ARTICLE 9 — MODIFICATION, WAIVER, AND RE-OPENERS

- A. District regulations, rules, or policies issued during the life of this MOU shall be reviewed by the District and Union at the request of the Union to determine their effect on the understandings outlined herein.
- B. The waiver of any breach, term or condition of this MOU by either party shall not constitute a precedent in the future enforcement of all its terms or provisions.
- C. In the event of a violation of any part of this MOU, failure to object to the violation within sixty (60) days shall constitute a waiver of the provision with respect to the specific violation but shall not waive or bar future enforcement of all provisions.
- D. Any modification of any of the terms or provisions contained herein shall be binding when agreed to in writing by both parties and approved and implemented by the Pleasant Valley Recreation and Park District Board of Directors and Union.
- E. Changes to items affecting wages, hours, or terms and conditions of employment shall be provided to Union in advance of implementation, except that changes implemented on an emergency basis will be conveyed to Union with least practicable delay. The District shall meet and confer on such changes if so, requested by Union with notification to be given to the District within seven (7) days of receipt of the change by Union.
- F. The District and Union agree to meet and confer during the term of this MOU regarding the following:
 - 1. Personnel Policy Manual
 - 2. Technology Use

ARTICLE 10 — AVAILABILITY OF PUBLISHED DATA

The District will make available to Union, and Union to the District, such information pertaining to employer-employee relations as is contained in the records of the respective organizations, subject to the limitations and conditions

set forth in the applicable Government Code Sections. To facilitate negotiations, Union and the District shall provide and exchange the published data it regularly has available concerning subjects under negotiation, including data gathered concerning salaries and other terms and conditions of employment provided by comparable public and private agencies, provided that when such data is gathered on the promise to keep its source confidential, the source shall not be revealed.

ARTICLE 11 — EMPLOYEE PERSONNEL ACTIONS

- A. No written material considered to be derogatory or relating to performance, salary or a disciplinary action shall be placed in the personnel file of an employee without the employee first being given an opportunity to read such material. The employee shall acknowledge that they have read such material by affixing a signature on the material to be filed with the understanding that although such signature indicates acknowledgment, it does not necessarily indicate agreement. If the employee refuses to sign the material, it shall be placed in the personnel file with an appropriate notation by the employee's supervisor or other District representative.
- B. The District shall, in writing and within five (5) working days of an employment status change, notify the affected employee of any resultant change in their compensation and/or benefits.
- C. By appointment, an employee may review their personnel file by contacting the General Manager for a time and date within five (5) working days of the request.

ARTICLE 12 — UNION DUES, DEDUCTIONS, COPE, INDEMNIFICATION AND NEW EMPLOYEE ORIENTATION

A. Membership within and/or payment of any dues or fees to the Union shall not be a condition of employment with the District. No individual employee shall be compelled to pay a service fee, agency fee, or any other assessment or payment in lieu of joining Union.

- B. The Union has requested in writing that the District deduct membership dues, initiation fees, and general assessments, as well as payment of any other membership benefit program sponsored by Union, from the wages, and salaries of members of Union. Union hereby certifies that it has and shall maintain all such deduction authorizations signed by the individual from whose salary or wages the deduction is to be made and shall not be required to provide a copy of an individual authorization to the District unless a dispute arises about the existence or terms of the authorization. Remittance of the aggregate amount of all such monies shall be made by the District to Union at the conclusion of each pay period in which said dues were deducted. Any changes in union dues must be given to the District a minimum of one pay period prior to the change to accommodate changes to payroll.
 - 1. Each pay period, the Employer shall send to the Union a list of all employees in the bargaining unit including: each employee's first name, middle initial, last name; employee identification number; employee hire date; employee job classification; employment status (ex: active, on leave of absence, etc.); work status (ex: full time, part time, hourly, seasonal, etc.); annual base salary amount; base salary earned per pay period; hourly rate; salary step (if applicable); and total hours worked in the pay period. This information shall be sent in Excel format to dues@seiu721.org within five (5) business days of each payday.
 - Each pay period, the Union shall provide the employer with an "authorized deduction report" which includes bargaining unit members who have authorized the deduction of Union dues, COPE and other deductions and the deduction amounts.
 - 3. The Employer shall make the dues and other applicable deductions from the employees' paychecks and remit such itemized deductions to the Union via Electronic Funds Transfer (EFT) within five (5) business days of each payday. The Employer shall also provide the breakdown of each amount remitted (i.e. Dues, COPE, Supplementary Benefits, etc.) in Excel

format to dues@seiu721.org within five (5) business days of each payday.

- C. Committee on Political Education (COPE)
 - 1. Employees may make voluntary contributions to the Union's registered political action committees. The employer shall make the deduction of the voluntary contributions in the same manner as the above dues deduction process.
 - 2. Every pay period the Union will notify the employer with a list of employees and the appropriate deduction amount on the "authorized deduction report" of the employees who have signed an authorization for the COPE deduction.
 - 3. Employees may discontinue voluntary political deductions by providing notice of cancellation to the Union and the Union shall transmit such notice of cancellation to the District by the next full pay period cycle.
 - D. The District agrees, pursuant to AB 119, to provide Union with the name, job title, department, work location, and work telephone number of newly hired employees withing thirty (30) days of the date of hire. The District also agrees to provide Union with employee identification number, name, job title, department, work location, work, home and personal cellular telephone numbers, personal email addresses and home address of all bargaining unit employees at least every one-hundred twenty (120) days. Notwithstanding the foregoing and in compliance with statutory duties, the District will not provide Union with home address or any phone number on file with the District of any employee performing law enforcement-related functions, and the District will not provide Union with any home address, home telephone number, personal cellular telephone number, or personal email address of any employee who has made a written request for nondisclosure of said information. Upon receipt of a written request for nondisclosure of employee information, the District will provide Union with a copy of that request.
 - F. <u>New Employee Orientation</u>. The District shall provide the Union written notice of new employee orientations [no matter how few participants, and whether in person or online] at least (10) business days, or as soon as

reasonably practical, prior to the event. Union representatives shall be permitted to make a presentation of up to thirty (30) minutes, and present written materials, during a portion of the orientation for which attendance is mandatory. No representative of management shall be present during the Union's presentation. Release time shall be granted to one (1) steward to participate in the Union's presentation of the new employee orientations. "New hires" shall be defined to include any employee new to the Union, including, but not limited to, through accretion or promotion/demotion. If the Union's designated representative(s) is unable to attend the new employee orientation, the District shall provide the new hire with a packet of materials from the Union. The District shall also provide the new hire with the contact information of the Union representative responsible for followup with the new hire.

G. The Union shall indemnify, defend and hold the District, its officers and employees harmless against any and all claims, demands, suits, and from liabilities of any natures which may arise out of or by reason of any action taken or not taken by the District under the provisions of this Article. Any claims, demands, disputes arising from the application or interpretation of this Article shall be filed with the Union and shall not be subject to the District's grievance procedure.

ARTICLE 13 — DISCIPLINARY ACTION AND APPEAL

- A. Union represents both at-will employees and employees who may only be disciplined "for just cause." At-will employees have no property right or interest in their employment with the District and may be disciplined with or without notice and with or without just cause and shall have no rights of disciplinary appeal.
- B. All represented District employees may only be disciplined for just cause and deemed to be in the District's "civil service," except for the following expressly listed part-time, seasonal, and/or restricted current classifications:
 - 1. Landscape Custodian;
 - 2. Park Ranger;
 - 3. Garage Technician

- 4. Senior Ranger
- 5. Office Assistant.

In the event that any of the foregoing classifications becomes a full-time position, then employees in such classification(s) may only be disciplined for just cause and are deemed to be in the District's "civil service."

- C. Conduct that may warrant disciplinary action is described in the District's Personnel Policy Manual. Disciplinary actions shall generally follow the progression described below depending on the nature and/or seriousness of the underlying employee conduct:
 - 1. Counseling Session;
 - 2. Verbal Warning;
 - 3. Written Warning;
 - 4. Reduction in pay;
 - 5. Suspension without pay;
 - 6. Demotion; and
 - 7. Termination of employment.
- D. Written notice of proposed or final disciplinary action shall be served by a District Manager on the employee either by personal service or by certified

U.S. Mail, addressed to the employee at his or her last known address. Any notice of proposed discipline shall include a statement of the reason(s) for the proposed disciplinary action, the charge(s) on which the action is based, and the degree of discipline being proposed. Any notice of final disciplinary action shall include a statement as to the results of any pre-disciplinary response and a determination of the final disciplinary action to be imposed. Service of any notice described herein shall be deemed complete on the day the employee is personally served, or if service is by certified mail, two

(2) business days after the notice is deposited in the U.S. Mail. Written notice

of proposed or final disciplinary action is not necessary for counseling sessions, oral warnings, or written warnings. Counseling sessions, oral warnings, or written warnings are subject to the grievance procedure set forth in Article 7 and shall have no right of pre-disciplinary meeting or disciplinary appeal.

- E. At the time written notice of proposed disciplinary action is served on the employee, the employee shall be supplied with a copy of the documents and materials upon which the proposed disciplinary action is based. Absent extenuating circumstances, the employee shall have fourteen (14) calendar days to review the documents and materials and provide a written response thereto. Within this time period, the employee may notify the District that they request to take part in a pre-disciplinary response meeting. Once this request is received, the District shall schedule a pre- disciplinary response meeting within a reasonable time. At this pre-disciplinary response meeting, the employee will be given the opportunity to present all materials or arguments in rebuttal to the proposed disciplinary action. However, this meeting is not an evidentiary hearing and the right to call or cross-examine witnesses or demand or subpoena documents is not permitted. Prior to issuing a Request for Proposals (RFP) or expanding an existing service agreement to contract or subcontract out services which have been previously and regularly performed by employees in this bargaining unit, the District will notify and provide Union, upon request, an opportunity to meet and confer on the impact of contracting out.
- C. Upon request, the District will provide Union with the following information:
 - 1. Information regarding the scope of services to be contracted and proposed organizational changes.
 - 2. A copy of the formal RFP, where one has been prepared.
 - 3. Copies of staff reports to the Board of Directors which contain any analysis of the proposals and any recommendations.
 - 4. Information regarding savings to be achieved by contracting out versus performing the services with District employees.
- D. The District shall not commence an agreement for contracting or subcontracting until the District has complied with the provisions of this Article.

ARTICLE 33 — LAYOFF POLICY AND PROCEDURE

- A. The District may lay off a unit member because of shortage of work, lack of funds, material change in duties or organization, or for other legitimate reasons. The District may, after consultation with employees and/or formally recognized employee organizations as required by law, consider alternative actions in order to minimize layoffs. The appointing authority will identify those classifications which will be reduced which will minimize the impact on the continued effectiveness of that Division and will meet the necessary reduction in force requirements as determined by the District.
- B. Notification:
 - 1. No less than ten (10) working days before the effective date of the layoff, the appointing authority will notify Human Resources of the name(s), classification(s), and reason(s) for layoff of employees being laid off.
 - All regular District employees to be laid off will be given written notice from Human Resources of the effective layoff date no less than ten (10) working days before the effective day of the layoff. Such notice will be hand delivered or sent by certified mail.
 - 3. The written notice shall inform the employee of his/her displacement and priority employment rights.
- C. Reduction in Force:
 - 1. Once the classifications to be reduced have been identified, the appointing authority shall determine the employee(s) to be laid off in the following order:
 - 2. Employees in the identified classifications that are temporary parttime employees.
 - 3. Employees in limited-term or temporary full-time positions in reverse order of their classification length of service in the identified classifications.

- 4. Original probationary employees in reverse order of their classification length of service in the identified classifications.
- 5. Regular employees who, within the twenty-six (26) pay periods immediately prior to the layoff, have had a disciplinary action that resulted in a demotion, reduction of pay, or a suspension without pay for one (1) day or more.
- 6. Regular employees who on their last performance review received an unsatisfactory job performance evaluation. (Unsatisfactory is defined

as two marks on the employee performance evaluation form to the right of the "satisfactory" category for Parks and Administration Department employees.)

- 7. Regular employees with the least continuous classification service.
- 8. If there are two or more employees to be laid off who have identical length of classification service, the order of layoff shall be by total length of continuous District service. If such District length of service is also identical, layoff shall be by random selection made by the General Manager.
- D. Displacement Rights (Bumping): Whenever bumping rights are described, the employee must meet the minimum requirements for the job, and an employee's rights to bump will be determined by their overall service. In order to exercise bumping rights, a regular status employee must have previously served in a lower classification and must have seniority in that classification over the regular status employee who is being displaced. Conditions which affect displacement rights are as follows:
 - 1. Employees who have been laid off in accordance with the criteria defined in B (4) are not eligible for bumping.
 - 2. The employee exercising the displacement privilege will displace employees in lower classifications in the same order as specified in paragraphs B (6) to B (7).
 - 3. All employees must exercise displacement privileges within five (5) working days after receipt of the Notice of Layoff, by written notice to

Human Resources. If these privileges are not exercised within the specified time period, they are automatically forfeited.

E. Demotions:

1. Upon request of the employee, and with the approval of the appointing authority, an employee who has not held status in a lower classification may be allowed to demote to a vacant authorized position in the same department if they meet all the requirements of the lower position as determined by the appointing authority.

- 2. All employees who are demoted will be paid at the same rate of pay as prior to demotion, if, and only if, the rate of pay is within the range of the lower position. If this is not the case, the rate of pay shall be within the salary range of the lower position which is closest to the rate of pay prior to demotion.
- F. Transfers:
 - 1. The appointing authority may transfer an employee to a vacant position if the employee is qualified and technically capable of performing the duties as determined by the appointing authority.
 - 2. Employees who are transferred will be paid at a rate of pay equal to the rate of pay prior to transfer. Any employee who does not accept a transfer within five (5) working days after Notice of Transfer is given will have automatically forfeited their ability to transfer.
- G. Employees Demoted as a Result of a Reduction in Force:
 - 1. Employees who are demoted as a result of a reduction in force shall have their names placed on a classification reemployment list, in the order of their classification seniority. Vacant positions within a classification series shall be first offered to employees on this list.
- H. Reemployment of Employees Laid Off as a Result of Reduction in Force:
 - 1. Employees who are laid off and who held regular status at the time of layoff shall have their names placed on a Reemployment List for classifications in which they previously held status and for classifications at the same or lower salary range for which they qualify

in the order of their classification seniority.

- 2. Vacant positions in such classifications will be offered to eligibles on the Reemployment List who meet the minimum qualifications for such vacancies and prior to an open or promotional recruitment.
- 3. Employees who are laid off and who held regular status at the time of layoff shall also be eligible to compete for positions in classifications at a higher salary range within the same classification series of the position held prior to the layoff.
- I. Duration of Reemployment Lists: The eligibility of the individual on the Reemployment Lists shall extend for a period of two (2) years from the date of demotion or layoff. Eligibles not responding to written notification of an opening within ten (10) working days shall have their names removed from the Reemployment List.
- J. Restoration of Benefits Upon Reemployment Following a Reduction in Force:
 - 1. Upon reemployment following a reduction in force, an individual will have the following benefits restored:
 - a. Prior sick leave accruals.
 - b. Seniority at time of layoff for purposes of determining merit increases, vacation accruals and future reduction in force.
- K. Non-Discrimination in Reduction in Force: Layoffs and demotions which result from a reduction in force shall be made without consideration being given to an employee's race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic characteristics or information, marital status, sex, gender, gender identity, gender expression, pregnancy, age, sexual orientation, or veteran or military status of any person.
- L. Continuation of Employee Assistance Plan (EAP). Benefits: Employees who are laid off and who held regular status at the time of layoff shall be kept on the EAP for a period of sixty (60) days beyond their layoff date.

ARTICLE 34 — VACATION

The District supports and encourages the use of vacation to provide opportunities for rest, relaxation, and personal pursuits. Vacation time off with pay is available to all regular full time and part time year-round employees. Active service commences with an employee's first day of work and continues thereafter unless broken by an extended period; including absence without pay, or termination of employment, Actual accrued vacation.

A. The maximum vacation accrual shall be three times the employee's annual vacation accrual.

- B. It is the mutual responsibility of the employee and their supervisor to assure that no employee shall exceed said maximum accrual. There shall be no further accrual once an employee's maximum hours have been reached unless approval for accrual in excess of the employee's maximum has been given by the Department Director and the General Manager.
- C. Request for Vacation: Supervisors shall respond to a written request for vacation within five business days from the date on which the employees

hands their direct supervisor the request. Upon the request of the employee, the supervisor shall confirm, in writing, the granting or denial of the request with the reason for the denial. The District will attempt to accommodate each vacation request. However, the District reserves the right to deny employee vacations if required by business necessity. Vacation schedules should be coordinated a minimum of two weeks in advance and approved by a Supervisor.

ARTICLE 35— SUBSTANCE ABUSE IN THE WORKPLACE

It is the intention of this policy to help eliminate substance abuse and its effects in the workplace. The presence of drugs and alcohol on the job, and the influence of these substances on employees during working hours, are inconsistent with this objective. Involvement with drugs and alcohol, whether on or off the job, can take its toll on job performance and employee safety. Employees must be able to perform their duties safely and efficiently, in the interests of their fellow workers and the public as well as themselves.

The use of prescription drugs and/or over-the-counter drugs also may affect an employee's ability safely and effectively to perform their job. If an employee is taking a drug or medication, whether or not prescribed by a physician, which may adversely affect their ability to perform work in a safe or productive manner, they are required to report such use to their Supervisor. The employee's Supervisor, in conjunction with the Administrative Services Department, will then engage in the interactive process with the employee to determine whether any work accommodation may be appropriate.

Employees who think they may have an alcohol or drug usage problem are urged to seek confidential assistance from the Employee Assistance Program. The District offers an EAP program through their supplemental insurance program, and also through CAPRI, please see Human Resources for current contact information.

Supervisors and managers are trained to recognize symptoms of impairment.

Alcohol or drug abuse is not tolerated, and disciplinary action, up to and including termination, will be imposed as necessary and appropriate to achieve a safe and productive workplace.

This policy provides guidelines for the detection and deterrence of alcohol and drug abuse. It also outlines the responsibilities of the District managers and employees in this regard. The District's goal is to eliminate substance abuse, or any

other conduct or factor, which increases the potential for accidents, absenteeism, substandard performance, poor employee morale or damage to the District's reputation. Employees should be aware that violations of the policy may result in discipline, up to and including termination.

Prohibition of Drugs and Alcohol

It is District policy that employees shall not be under the influence of, or use, or possess, alcohol or drugs while on District property, at work locations, or while on duty or subject to being called to duty or standby, and that employees shall not sell or provide drugs or alcohol to any other employee or person while on duty or on standby duty. Exceptions can and will be made for over-the-counter medication such as aspirin, ibuprofen, and/or antacid, exceptions may also be made for alcohol sold at District sponsored events.

While use of validly prescribed medications and drugs in conformance with prescribed directions may not necessarily violate this policy, employees must notify their Supervisor, before beginning work, when they are taking medications or drugs which could possibly interfere with the safe and effective performance of duties, or the operation of District equipment. In the event there is a question regarding an employee's ability safely and effectively to perform assigned duties while using such medications or drugs, medical clearance may be required.

The District reserves the right to search its premises and property, including its parking lots, and to search any personal property brought onto District premises.

Employees are expected to submit to an alcohol and/or drug test when requested by District management.

Employees reasonably believed to be under the influence of alcohol or drugs shall be prevented from engaging in further work and shall be safely transported from the work site.

Definitions

For purposes of this Policy, the following definitions shall apply:

"Abuse of any legal drug" means the use of any legal drug, including prescription drugs, (a) in a manner other than the purpose for which it was prescribed or manufactured; or (b) in a quantity, frequency or manner that is contrary to the instructions or recommendations of the prescribing physician or manufacturer. "Controlled substance" or "drugs" denotes any substance which could potentially impair the employee's ability to effectively and safely perform the functions of their duties, including, but not limited to: alcohol, cocaine, marijuana, opioids (opium and opiates or any hallucinogenic), "Speed" including amphetamines, methamphetamine, lysergic acid (L.S.D.), PCP, quaaludes, certain prescription drugs and medications, etc.

Employee Responsibilities

An employee must:

- not report to work or be subject to duty while their ability to perform job duties safely and effectively is impaired for any reason, including due to on- or offduty alcohol or drug use; not possess or use alcohol or impairing drugs during working hours or while on standby duty, or at any time while on District property;
- 2. not directly or through a third party sell or provide drugs or alcohol to any person, including any employee, while either or both employees are on duty or on standby duty;
- 3. submit immediately to an alcohol and drug test when requested by a District supervisor or manager, and approved by the General Manager or designated representative; and
- 4. notify their Supervisor, before beginning work, when taking any medications or drugs, prescription or non-prescription, which the employee knows or should know may interfere with the safe and effective performance of duties or operation of District equipment.

Management Responsibilities and Guidelines

Managers and Supervisors (for this section, collectively referred to as "Supervisor") are responsible for reasonable enforcement of this policy.

Supervisors may request that an employee submit to a drug and/or alcohol test when a Supervisor has a reasonable suspicion that an employee is intoxicated or otherwise under the influence of drugs or alcohol while on the job or subject to being called.

"Reasonable suspicion" is a belief based on objective facts sufficient to lead a

reasonably prudent and trained Supervisor to suspect that an employee is under the influence of drugs or alcohol so that the employee's ability to perform the functions of the job is impaired.

For example, any of the following, alone or in combination, may support a determination of reasonable suspicion:

- Slurred speech;
- Alcoholic odor on breath;
- Unsteady walking and movement;
- Physical or verbal altercation;
- Violent, threatening, or erratic behavior;
- Possession of alcohol or drugs;

Any Supervisor requesting an employee to submit to a reasonable suspicion drug and/or alcohol test should document in writing the facts constituting reasonable suspicion that the employee in question is under the influence of drugs or alcohol. Any reasonable suspicion determination should be made in consultation with HR.

Testing Procedure

The drug and/or alcohol test may test for any substance which could impair an employee's ability effectively and safely to perform the functions of their job, including, but not limited to, prescription medications, alcohol, heroin, cocaine, morphine and its derivatives, P.C.P., methadone, barbiturates, amphetamines, marijuana, and other cannabinoids, but not for non-psychoactive cannabis metabolites.

Testing requested by the District shall only be conducted by a laboratory certified by the National Institute on Drug Abuse (NIDA). Analysis is performed using gas spectrometer testing and shall, in all cases, include a split-sample properly identified, for use by the employee if the employee challenges a positive result.

Results of Drug and/or Alcohol Test

A positive result from a drug and/or alcohol test may result in disciplinary action, up to and including termination.

Confidentiality

Confidential medical information related to this policy, including reports and test results, is maintained in a separate confidential medical file that will be securely kept under the control of the Administrative Services Department. Any such information is disclosed only to District management on a need-to-know basis, or otherwise in accordance with law.

 - 3. Upon approval of an employee's request for donated time, the Human Resources personnel may, if requested to do so by the employee, post a notice of the need for leave donations for the affected employee.
 - 4. Any eligible employee who wishes to donate vacation, comp-time and/or floating holiday hours to an employee whose request for such donated time has been approved, must complete the Authorization for Paid Time Off Donations Form. This form must be signed by the donating employee and submitted to Human Resources or designee.
 - 5. An employee must have a total of 120 hours of sick, vacation and/or comp-time on the books after the time of hours donated.

- F. Any donated time remaining at the end of the employee's leave of absence due to the injury or illness will be left in the bank for future requests.
- G. Tax implications may apply to donation of leave. Employees are encouraged to speak with their tax advisor for additional information.

ARTICLE 37 – BILINGUAL PAY

A. The District will commit to a six (6) month study to determine the need and the validity of establishing bilingual pay. The study will include, but is not limited to, weekly reports from staff regarding the use of their bilingual skills. Once the study has concluded District will reopen Article 37 to discuss the findings.

ARTICLE 3 — UNION RIGHTS

- A. Visits by Union Representatives: Accredited representatives of the Union will be granted reasonable access to District facilities and employees for purposes of investigation of grievances and official Union business, provided Union representatives shall provide twenty-four (24) hours advance notice to the supervisor in charge of the work area that is being visited. Such visits shall not interfere with the normal operations of the department.

A designated Union staff member shall be given reasonable access to work locations during working hours, provided that such visits do not unduly interfere with the District's operations, and that advance notification of the visit has been given. The Union stewards shall be given similar access during their lunch and rest periods. These visits shall be to observe working conditions or to investigate grievances.
- C. The District agrees that Union-related activities by stewards of the Union shall not affect the promotional opportunities of said employees.
- D. Bulletin Boards: The Union will be allowed to use space designated by the District on existing bulletin boards where available to post notices regarding Union business. Use of the boards shall be limited to the five (5) general types of notices:
 - 1. Listings of names, work location and telephone extensions of Union Officers and Officials
 - 2. Union meetings

- I. Union Release Time. Pursuant to Government Code section 3505.3, the District shall allow the employee stewards a reasonable time off without loss of compensation or other benefits when they are participating in any one of the following activities:
 - 1. Formally meeting and conferring with representatives of the District on matters within the scope of representation;

- J. Union Representative Leave of Absence. Pursuant to Government Code section 3558.8, the District shall grant to employee stewards, upon written request of the Union, reasonable leaves of absence without loss of

compensation or other benefits for the purpose of enabling employees to serve as stewards or representatives or officers of the exclusive representative, or of any statewide or national employee organization with which the Union is affiliated.

- 1. The Union shall reimburse the District for all compensation paid to the employee on leave. Reimbursement by the Union shall be made on or before thirty (30) days after receipt of the District's certification of payment of compensation to the employee.
- 2. At the conclusion or termination of leave granted under this section, the employee shall have a right of reinstatement to the same position and work location held prior to the leave, or, if not feasible, a substantially similar position without loss of seniority, rank, or classification.
- The Union has no obligation to use leave under this section for an employee and may terminate that leave at any time, for any reason. The District reserves the right to recall any employee on leave pursuant to these sections due to an emergency.
- 4. Compensation Compensation for release time shall not exceed the employee stewards' standard schedule of hours per day and shall not include compensation for overtime. Compensation shall include retirement fund contributions required of the District as an employer. The employee shall earn full service credit during the leave of absence and shall pay their member contributions. The leave of absence without loss of compensation or other benefits provided for by this section is in addition to the release time without loss of compensation or other benefits granted to representatives of the Union under applicable laws or this MOU.
- 5. Written Notice Pursuant to Government Code sections 3505.3 and 3558.5, for leave requests for three consecutive days or less, the Union shall submit a written request to the employee steward's Department Head at least seven (7) days in advance of the requested

leave of absence. For leave requests of greater than three (3) consecutive days, the Union shall submit their written request at least thirty (30) calendar days in advance of the requested leave of absence. The written request shall include the purpose, dates, and duration of the requested leave.

- 6. Approval or Denial of Leave A request for leave of absence may be granted on a full-time, part-time, periodic, or intermittent basis and will be approved if it does not substantially interfere with the performance of District services and operations. If leave is denied, the Department Head shall provide the Union with written notification of the reasons why the requested leave is denied. If granting the requested leave would create an operational hardship for the District, the parties agree to meet and confer regarding the requested leave in order to identify mutually acceptable alternative dates or amount of leave.
- 7. Reporting The Union or the employee shall be required to execute any payroll forms, certifications of time, or other documents as required by the District to ensure that the time reporting is accurate and that the employee is performing the duties of a steward or officer or representative of the Union during all reported working hours.

If the District is held liable for such an act, omission, or injury, the Union shall indemnify and hold harmless the District.

ARTICLE 4 — TERMS OF AGREEMENT

- A. This MOU commences at 12:01 am on July 1, <u>2024</u>2021, and is effective to and including 12 midnight, June 30, <u>2027</u>2024, except as otherwise stated herein.
- B. In the event either the District or Union desires to meet and confer in good faith on amendments to wages, hours, and other terms and conditions of

employment, either party may serve upon the other during the period from February 1 to February 28 of <u>2027</u>2024 its written request to commence meet- and-confer sessions for a successor MOU.

C. Any and all economic enhancements in this MOU beginning Fiscal Year 2024/2025 2021/2022 will be effective the first full pay-period following the final MOU ratification by the Union and approved by the District Board.

ARTICLE 5 — OBLIGATION TO SUPPORT MOU

The negotiators for the District and Union agree that both have the obligation to support this MOU before their own constituents, and neither will advocate any amendment, addition or deletion to the terms and conditions contained herein during such ratification and adoption of this MOU. It is further understood that this Article shall not preclude the parties from appearing before the Pleasant Valley Recreation and Park District Board of Directors to advocate or urge the approval of this MOU in its entirety.

ARTICLE 6 — MEET-AND-CONFER SESSIONS

- A. Union may designate not more than four (4) District Union members to serve as members of Union's meet-and-confer team. No more than three meet-and-confer team members shall be present at any meet-and-confer session, with the fourth member serving as an alternate. A reasonable effort will be made to allow Union employees to have their work hours and/or duty days adjusted so that they will be on active duty during negotiations. No employee shall receive overtime for time spent negotiating if it is not possible to adjust their work schedule. Participation in negotiations does not release any employee from responsibilities of their full-time employment requiring immediate attention or action.
- B. The above provisions of this Article shall be subject to (1) the operational requirements of the District, and (2) the requirements that the Union member who wishes to be excused from their official duties hereunder requests such from their immediate supervisor no less than two working days in advance, except that this requirement may be waived with the express approval of the employee's immediate supervisor in the case of an unforeseeable emergency meeting.

- C. It is understood by the District and Union that amendments to the existing MOU presented for meet-and-confer sessions shall be accompanied by a statement signed by a Union representative and meet-and-confer team members declaring that the proposed amendments have been accepted in principle by a majority of the membership of the Union for the purpose of meet-and-confer sessions with the District.
- D. No less than 120 days prior to the expiration of this MOU, the Union shall notify the District of the three employee-members of the committee. So that the Union can better prepare to timely commence bargaining over the terms of a successor MOU, between 120 and 60 days prior to expiration of this MOU, the District shall release the three designated committee members from active employment for six total hours on days to be determined by Union. Each employee who on any such day would have otherwise been actively engaged on the job shall be paid straight-time hours as if they were, in fact, actively on the job.

ARTICLE 7 — GRIEVANCES AND REPRESENTATION

- A. Grievance: A "grievance" shall mean a written allegation by an employee(s) or Union concerning dispute arising out of the interpretation or application of the specific terms of this MOU and/or written employment policy, rules and regulations which affect conditions of employment. District actions subject to the disciplinary appeals process set forth in Article 14 shall not be considered a "grievance", nor subject to this grievance procedure. Disciplinary Actions against "for cause" represented employees shall not be considered a "grievance", nor subject to this grievance procedure. An authorized Union representative may file a "grievance" on behalf of all employees to avoid a multiplicity of grievances over the same dispute.
- B. The District recognizes that employees may have complaints, suggestions, or questions about their job, working conditions, or treatment at work. Good-faith complaints, questions, and suggestions are helpful to the District. The overall policy of this procedure is to provide for the resolution of grievances at the lowest level within the employment hierarchy.

- C. The District agrees that, during the term of this MOU, it shall recognize Union representatives in the handling of grievances arising on the job when so informed in writing by the grieving employee.
- D. Union shall notify the District of the name of the Union staff member to represent the employee prior to any hearing on the grievances; such written notification shall cite the applicable MOU provision, include the basis for the grievance and state the requested remedy. Receipt of notification shall be acknowledged by the District.
- E. A grievance shall not be valid unless it is submitted to the District's designee, in writing, setting forth the facts and the specific provisions of the MOU allegedly violated and the particular relief sought within ten (10) business days after the date the grievant knew or in the exercise of reasonable diligence, should have known, of the event giving rise to the grievance occurred. Failure to file or process any grievance within the prescribed time limitation will bar grievance.
- F. If the grievance is not satisfactorily resolved in the second step, at the employee's request, it shall be submitted to advisory mediation with the California State Mediation & Conciliation Service within ten (10) business days after the Department Manager's answer is received, or as soon as a mediator is available. Advisory mediation will involve the employee and their representatives and the Department Manager and *any* staff deemed appropriate. The mediation meeting will be scheduled by Human Resources. If the grievance is not satisfactorily resolved during this process, within thirty (30) calendar days after the mediation session, the employee may have the grievance, including the mediator's analysis and recommendation, submitted to the General Manager. The General Manager shall have the final decision; however, if it were to involve the General Manager. If all parties were involved, the General Manager could use an outside consultant determined by the District.

ARTICLE 8 — USE OF AGENCY FACILITIES

The District interposes no objection to Union's use of District buildings and facilities to conduct meetings of the Union, providing the meeting space is

arranged for in accordance with existing policies, procedures and such space is available.

ARTICLE 9 — MODIFICATION, WAIVER, AND RE-OPENERS

- A. District regulations, rules, or policies issued during the life of this MOU shall be reviewed by the District and Union at the request of the Union to determine their effect on the understandings outlined herein.
- B. The waiver of any breach, term or condition of this MOU by either party shall not constitute a precedent in the future enforcement of all its terms or provisions.
- C. In the event of a violation of any part of this MOU, failure to object to the violation within sixty (60) days shall constitute a waiver of the provision with respect to the specific violation, but shall not waive or bar future enforcement of all provisions.
- D. Any modification of any of the terms or provisions contained herein shall be binding when agreed to in writing by both parties and approved and implemented by the Pleasant Valley Recreation and Park District Board of Directors and Union.
- E. Changes to items affecting wages, hours, or terms and condition of employment shall be provided to Union in advance of implementation, except that changes implemented on an emergency basis will be conveyed to Union with least practicable delay. The District shall meet and confer on such changes if so requested by Union with notification to be given to the District within seven (7) days of receipt of the change by Union.
- F. The District and Union agree to meet and confer during the term of this MOU regarding the following:
 - 1. Updating the District's Employer-Employee Relations Resolution #104; and
 - 2. Creating an Employee Policy and Procedure Manual applicable to Union represented employees; and
 - 3. Ranger Policy Manual

ARTICLE 10 — AVAILABILITY OF PUBLISHED DATA

The District will make available to Union, and Union to the District, such information pertaining to employer-employee relations as is contained in the records of the respective organizations, subject to the limitations and conditions set forth in the applicable Government Code Sections. To facilitate negotiations, Union and the District shall provide and exchange the published data it regularly has available concerning subjects under negotiation, including data gathered concerning salaries and other terms and conditions of employment provided by comparable public and private agencies, provided that when such data is gathered on the promise to keep its source confidential, the source shall not be revealed.

ARTICLE 11 — EMPLOYEE PERSONNEL ACTIONS

- A. No written material considered to be derogatory or relating to performance, salary or a disciplinary action shall be placed in the personnel file of an employee without the employee first being given an opportunity to read such material. The employee shall acknowledge that they have read such material by affixing a signature on the material to be filed with the understanding that although such signature indicates acknowledgment, it does not necessarily indicate agreement. If the employee refuses to sign the material, it shall be placed in the personnel file with an appropriate notation by the employee's supervisor or other District representative.
- B. The District shall, in writing and within five (5) working days of an employment status change, notify the affected employee of any resultant change in their compensation and/or benefits.
- C. By appointment, an employee may review their personnel file by contacting the General Manager for a time and date within five (5) working days of the request.

ARTICLE 12 — UNION DUES, DEDUCTIONS, COPE, INDEMNIFICATION AND NEW EMPLOYEE ORIENTATION

shall be compelled to pay a service fee, agency fee, or any other assessment or payment in lieu of joining Union.

- B. Union has requested in writing that the District deduct membership dues, initiation fees, and general assessments, as well as payment of any other membership benefit program sponsored by Union, from the wages, and salaries of members of Union. Union hereby certifies that it has and shall maintain all such deduction authorizations signed by the individual from whose salary or wages the deduction is to be made and shall not be required to provide a copy of an individual authorization to the District unless a dispute arises about the existence or terms of the authorization. Remittance of the aggregate amount of all such monies shall be made by the District to Union at the conclusion of each pay period in which said dues were deducted. Any changes in union dues must be given to the District a minimum of one pay period prior to change to accommodate changes to payroll.

format to dues@seiu721.org within five (5) business days of each payday.

- C. Committee on Political Education (COPE)
 - 1. Employees may make voluntary contributions to the Union's registered political action committees. The employer shall make the deduction of the voluntary contributions in the same manner as the above dues deduction process.
 - 2. Every pay period the Union will notify the employer with a list of employees and the appropriate deduction amount on the "authorized deduction report" of the employees who have signed an authorization for the COPE deduction.
 - 3. Employees may discontinue voluntary political deductions by providing notice of cancellation to the Union and the Union shall transmit such notice of cancellation to the District by the next full pay period cycle.
 - D. The District agrees, pursuant to AB 119, to provide Union with the name, job title, department, work location, and work telephone number of newly hired employees withing thirty (30) days of the date of hire. The District also agrees to provide Union with employee identification number, name, job title, department, work location, work, home and personal cellular telephone numbers, personal email addresses and home address of all bargaining unit employees at least every one-hundred twenty (120) days. Notwithstanding the foregoing and in compliance with statutory duties, the District will not provide Union with home address or any phone number on file with the District of any employee performing law enforcement-related functions, and the District will not provide Union with any home address, home telephone number, personal cellular telephone number, or personal email address of any employee who has made a written request for nondisclosure of said information. Upon receipt of a written request for nondisclosure of employee information, the District will provide Union with a copy of that request.
 - F. <u>New Employee Orientation</u>. The District shall provide the Union written notice of new employee orientations [no matter how few participants, and whether in person or online] at least (10) business days, or as soon as

reasonably practical, prior to the event. Union representatives shall be permitted to make a presentation of up to thirty (30) minutes, and present written materials, during a portion of the orientation for which attendance is mandatory. If the Union's designated representative(s) is unable to attend the new employee orientation, the District shall provide the new hire with a packet of materials from the Union. The District shall also provide the new hire with the contact information of the Union representative responsible for follow-up with the new hire.

G. The Union shall indemnify, defend and hold the District, its officers and employees harmless against any and all claims, demands, suits, and from liabilities of any natures which may arise out of or by reason of any action taken or not taken by the District under the provisions of this Article. Any claims, demands, disputes arising from the application or interpretation of this Article shall be filed with Union and shall not be subject to the District's grievance procedure.

ARTICLE 13 — DISCIPLINARY ACTION AND APPEAL

- A. Union represents both at-will employees and employees who may only be disciplined "for just cause." At-will employees have no property right or interest in their employment with the District and may be disciplined with or without notice and with or without just cause and shall have no rights of disciplinary appeal.
- B. All represented District employees may only be disciplined for just cause and deemed to be in the District's "civil service," except for the following expressly listed part-time, seasonal, and/or restricted current classifications:
 - 1. Landscape Custodian;
 - 2. Park Ranger;
 - 3. Garage Technician [Current incumbent, Jason England, will be

eligible for the civil service upon passing probation and until the Full Time/Part-Time Year-Round position of Mechanic can be filled.];

- 4. Senior Ranger [Current incumbent, Phil Ramirez, will remain in the civil service until the Full Time/Part-Time Year-Round position of Lead Park Ranger can be filled]
- 5. Office Assistant.

In the event that any of the foregoing classifications becomes a full-time position, then employees in such classification(s) may only be disciplined for just cause and are deemed to be in the District's "civil service."

- C. Conduct that may warrant disciplinary action is described in the District's District's Personnel Policy Manual Employee Manual (currently the 2016 version). Disciplinary actions shall generally follow the progression described below depending on the nature and/or seriousness of the underlying employee conduct:
 - 1. Counseling Session;
 - 2. Verbal Warning;
 - 3. Written Warning;
 - 4. Reduction in pay;
 - 5. Suspension without pay;
 - 6. Demotion; and
 - 7. Termination of employment.
- D. Written notice of proposed or final disciplinary action shall be served by a District Manager on the employee either by personal service or by certified

U.S. Mail, addressed to the employee at his or her last known address. Any notice of proposed discipline shall include a statement of the reason(s) for the proposed disciplinary action, the charge(s) on which the action is based, and the degree of discipline being proposed. Any notice of final disciplinary

action shall include a statement as to the results of any pre-disciplinary response and a determination of the final disciplinary action to be imposed. Service of any notice described herein shall be deemed complete on the day the employee is personally served, or if service is by certified mail, two

(2) business days after the notice is deposited in the U.S. Mail. Written notice of proposed or final disciplinary action is not necessary for counseling sessions, oral warnings, or written warnings. Counseling sessions, oral warnings, or written warnings are subject to the grievance procedure set forth in Article 7 and shall have no right of pre-disciplinary meeting or disciplinary appeal.

E. At the time written notice of proposed disciplinary action is served on the employee, the employee shall be supplied with a copy of the documents and materials upon which the proposed disciplinary action is based. Absent extenuating circumstances, the employee shall have fourteen (14) calendar days to review the documents and materials and provide a written response thereto. Within this time period, the employee may notify the District that they request to take part in a pre-disciplinary response meeting. Once this request is received, the District shall schedule a predisciplinary response meeting within a reasonable time. At this predisciplinary response meeting, the employee will be given the opportunity to present all materials or arguments in rebuttal to the proposed disciplinary action. However, this meeting is not an evidentiary hearing and the right to call or cross-examine witnesses or demand or subpoena documents is not permitted. Following the pre-disciplinary meeting or receipt of a timely written response, the District shall either serve a written notice of final disciplinary action upon the employee or notify the employee in writing that it is rescinding the disciplinary action. An employee may be accompanied by Union representation at all stages of the disciplinary process, including the appeal process described herein, but must attend each stage of the process in person or electronically via video conference. Otherwise, the employee shall be deemed to have waived their rights relative to that particular step in the disciplinary process, including any appeal.

- F. An employee in the civil service who believes they have been subject to a disciplinary reduction in pay, suspension, demotion, or termination shall have the right to appeal the imposition of that disciplinary action to the General Manager as set forth below:
 - 1. When an employee or the employee's Union representative requests a disciplinary appeal hearing, the request shall be in writing, signed by the employee, and provided to the General Manager within fourteen (14) working days after notice of final disciplinary action has been served upon the employee as provided in Section E above. Any such request shall identify the subject matter of the appeal, the grounds for the appeal, and the relief desired by the employee. If the employee fails to request a disciplinary appeal hearing within the prescribed time, then the employee shall have waived the right to a hearing and all rights to further appeal of the disciplinary action.
 - 2. Unless requested to be open to public by the employee, all disciplinary appeal hearings shall be conducted in private.
 - 3. The General Manager shall schedule any disciplinary appeal hearing within a reasonable time after receipt of the employee's written request for appeal, considering the availability of the General Manager, the convenience of the employee, and the availability of witnesses, if any.

ARTICLE 32 — CONTRACTING OUT DISTRICT SERVICES

- A. The District can contract out work in accordance with law provided that before the District contracts the services of an entire division of District government, it shall meet and confer with Union regarding the effects of said contracting on affected employees; and to take any action necessary to meet conditions of any emergency nature. In addition, the District retains the right to hire, classify, assign, evaluate, promote, terminate, transfer and discipline employees. The District retains the sole and complete discretion to determine the methods, means, and personnel by which District operations are to be contracted. The objective of contracting or subcontracting out shall be to provide the services and/or work at a lesser cost, or to have the work performed that is not within the skill set of District employees or for which the District does not have the proper equipment.
- B. Prior to issuing a Request for Proposals (RFP) or expanding an existing service agreement to contract or subcontract out services which have been previously and regularly performed by employees in this bargaining unit, the District will notify and provide Union, upon request, an opportunity to meet and confer on the impact of contracting out.
- C. Upon request, the District will provide Union with the following information:
 - 1. Information regarding the scope of services to be contracted and proposed organizational changes.
 - 2. A copy of the formal RFP, where one has been prepared.
 - 3. Copies of staff reports to the Board of Directors which contain any analysis of the proposals and any recommendations.
 - 4. Information regarding savings to be achieved by contracting out versus performing the services with District employees.
- D. The District shall not commence an agreement for contracting or subcontracting until the District has complied with the provisions of this Article.

ARTICLE 33 — LAYOFF POLICY AND PROCEDURE

- A. The District may lay off a unit member because of shortage of work, lack of funds, material change in duties or organization, or for other legitimate reasons. The District may, after consultation with employees and/or formally recognized employee organizations as required by law, consider alternative actions in order to minimize layoffs. The appointing authority will identify those classifications which will be reduced which will minimize the impact on the continued effectiveness of that Division and will meet the necessary reduction in force requirements as determined by the District.
- B. Notification:
 - No less than ten (10) working days before the effective date of the layoff, the appointing authority will notify Human Resources of the name(s), classification(s), and reason(s) for layoff of employees being laid off.

 - 3. The written notice shall inform the employee of his/her displacement and priority employment rights.
- C. Reduction in Force:
 - 1. Once the classifications to be reduced have been identified, the appointing authority shall determine the employee(s) to be laid off in the following order:
 - 2. Employees in the identified classifications that are temporary parttime employees.
 - 3. Employees in limited-term or temporary full-time positions in reverse order of their classification length of service in the identified classifications.
 - 4. Original probationary employees in reverse order of their

classification length of service in the identified classifications.

- 5. Regular employees who, within the twenty-six (26) pay periods immediately prior to the layoff, have had a disciplinary action that resulted in a demotion, reduction of pay, or a suspension without pay for one (1) day or more.
- 6. Regular employees who on their last performance review received an unsatisfactory job performance evaluation. (Unsatisfactory is defined

as two marks on the employee performance evaluation form to the right of the "satisfactory" category for Parks and Administration Department employees.)

- 7. Regular employees with the least continuous classification service.
- 8. If there are two or more employees to be laid off who have identical length of classification service, the order of layoff shall be by total length of continuous District service. If such District length of service is also identical, layoff shall be by random selection made by the General Manager.
- D. Displacement Rights (Bumping): Whenever bumping rights are described, the employee must meet the minimum requirements for the job, and an employee's rights to bump will be determined by their overall service. In order to exercise bumping rights, a regular status employee must have previously served in a lower classification and must have seniority in that classification over the regular status employee who is being displaced. Conditions which affect displacement rights are as follows:
 - 1. Employees who have been laid off in accordance with the criteria defined in B (4) are not eligible for bumping.
 - 2. The employee exercising the displacement privilege will displace employees in lower classifications in the same order as specified in paragraphs B (6) to B(7).
 - 3. All employees must exercise displacement privileges within five (5) working days after receipt of the Notice of Layoff, by written notice to Human Resources. If these privileges are not exercised within the

specified time period, they are automatically forfeited.

E. Demotions:

1. Upon request of the employee, and with the approval of the appointing authority, an employee who has not held status in a lower classification may be allowed to demote to a vacant authorized position in the same department if they meet all the requirements of the lower position as determined by the appointing authority.

- 2. All employees who are demoted will be paid at the same rate of pay as prior to demotion, if, and only if, the rate of pay is within the range of the lower position. If this is not the case, the rate of pay shall be within the salary range of the lower position which is closest to the rate of pay prior to demotion.
- F. Transfers:
 - 1. The appointing authority may transfer an employee to a vacant position if the employee is qualified and technically capable of performing the duties as determined by the appointing authority.
 - 2. Employees who are transferred will be paid at a rate of pay equal to the rate of pay prior to transfer. Any employee who does not accept a transfer within five (5) working days after Notice of Transfer is given will have automatically forfeited their ability to transfer.
- G. Employees Demoted as a Result of a Reduction in Force:
 - 1. Employees who are demoted as a result of a reduction in force shall have their names placed on a classification reemployment list, in the order of their classification seniority. Vacant positions within a classification series shall be first offered to employees on this list.
- H. Reemployment of Employees Laid Off as a Result of Reduction in Force:
 - 1. Employees who are laid off and who held regular status at the time of layoff shall have their names placed on a Reemployment List for classifications in which they previously held status and for classifications at the same or lower salary range for which they qualify in the order of their classification seniority.

- 2. Vacant positions in such classifications will be offered to eligibles on the Reemployment List who meet the minimum qualifications for such vacancies and prior to an open or promotional recruitment.
- 3. Employees who are laid off and who held regular status at the time of layoff shall also be eligible to compete for positions in classifications at a higher salary range within the same classification series of the position held prior to the layoff.
- Duration of Reemployment Lists: The eligibility of the individual on the Reemployment Lists shall extend for a period of two (2) years from the date of demotion or layoff. Eligibles not responding to written notification of an opening within ten (10) working days shall have their names removed from the Reemployment List.

 - 1. Upon reemployment following a reduction in force, an individual will have the following benefits restored:
 - a. Prior sick leave accruals.
 - b. Seniority at time of layoff for purposes of determining merit increases, vacation accruals and future reduction in force.
- K. Non-Discrimination in Reduction in Force: Layoffs and demotions which result from a reduction in force shall be made without consideration being given to an employee's race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic characteristics or information, marital status, sex, gender, gender identity, gender expression, pregnancy, age, sexual orientation, or veteran or military status of any person.
- L. Continuation of Employee Assistance Plan (EAP). Benefits: Employees who are laid off and who held regular status at the time of layoff shall be kept on the EAP for a period of sixty (60) days beyond their layoff date.

Vacation schedules should be coordinated a minimum of two weeks in advance and approved by a Supervisor.

ARTICLE 35— SUBSTANCE ABUSE IN THE WORKPLACE

It is the intention of this policy to help eliminate substance abuse and its effects in the workplace. The presence of drugs and alcohol on the job, and the influence of these substances on employees during working hours, are inconsistent with this objective. Involvement with drugs and alcohol, whether on or off the job, can take its toll on job performance and employee safety. Employees must be able to perform their duties safely and efficiently, in the interests of their fellow workers and the public as well as themselves.

The use of prescription drugs and/or over-the-counter drugs also may affect an employee's ability safely and effectively to perform their job. If an employee is taking a drug or medication, whether or not prescribed by a physician, which may adversely affect their ability to perform work in a safe or productive manner, they are required to report such use to their Supervisor. The employee's Supervisor, in conjunction with the Administrative Services Department, will then engage in the interactive process with the employee to determine whether any work accommodations may be appropriate.

Employees who think they may have an alcohol or drug usage problem are urged to seek confidential assistance from the Employee Assistance Program. The District offers an EAP program through their supplemental insurance program, and also through CAPRI, please see Human Resources for current contact information.

<u>Supervisors and managers are trained to recognize symptoms of impairment.</u>

<u>Alcohol or drug abuse is not tolerated, and disciplinary action, up to and including termination, will be imposed as necessary and appropriate to achieve a safe and productive workplace.</u>

This policy provides guidelines for the detection and deterrence of alcohol and drug abuse. It also outlines the responsibilities of the District managers and employees in this regard. The District's goal is to eliminate substance abuse, or any other conduct or factor, which increases the potential for accidents, absenteeism,

substandard performance, poor employee morale or damage to the District's reputation. Employees should be aware that violations of the policy may result in discipline, up to and including termination.

Prohibition of Drugs and Alcohol

It is District policy that employees shall not be under the influence of, or use, or possess, alcohol or drugs while on District property, at work locations, or while on duty or subject to being called to duty or standby, and that employees shall not sell or provide drugs or alcohol to any other employee or person while on duty or on standby duty. Exceptions can and will be made for over the counter medication such as aspirin, ibuprofen, and/or antacid, exceptions may also be made for alcohol sold at District sponsored events.

While use of validly prescribed medications and drugs in conformance with prescribed directions may not necessarily violate this policy, employees must notify their Supervisor, before beginning work, when they are taking medications or drugs which could possibly interfere with the safe and effective performance of duties, or the operation of District equipment. In the event there is a question regarding an employee's ability safely and effectively to perform assigned duties while using such medications or drugs, medical clearance may be required.

<u>The District reserves the right to search its premises and property, including its</u> parking lots, and to search any personal property brought onto District premises.

Employees are expected to submit to an alcohol and/or drug test when requested by District management.

Employees reasonably believed to be under the influence of alcohol or drugs shall be prevented from engaging in further work and shall be safely transported from the work site.

Definitions

For purposes of this Policy, the following definitions shall apply:

"Abuse of any legal drug" means the use of any legal drug, including prescription drugs, (a) in a manner other than the purpose for which it was prescribed or manufactured; or (b) in a quantity, frequency or manner that is contrary to the instructions or recommendations of the prescribing physician or manufacturer. <u>"Controlled substance" or "drugs" denotes any substance which could</u> potentially impair the employee's ability to effectively and safely perform the functions of their duties, including, but not limited to: alcohol, cocaine, marijuana, opioids (opium and opiates or any hallucinogenic), "Speed" including amphetamines, methamphetamine, lysergic acid (L.S.D.), PCP, quaaludes, certain prescription drugs and medications, etc.

Employee Responsibilities

An employee must:

- 1. not report to work or be subject to duty while their ability to perform job duties safely and effectively is impaired for any reason, including due to onor off-duty alcohol or drug use; not possess or use alcohol or impairing drugs during working hours or while on standby duty, or at any time while on District property;
- not directly or through a third party sell or provide drugs or alcohol to any person, including any employee, while either or both employees are on duty or on standby duty;
- 3. submit immediately to an alcohol and drug test when requested by a District supervisor or manager, and approved by the General Manager or designated representative; and
- 4. notify their Supervisor, before beginning work, when taking any medications or drugs, prescription or non-prescription, which the employee knows or should know may interfere with the safe and effective performance of duties or operation of District equipment.

Management Responsibilities and Guidelines

<u>Managers</u> and <u>Supervisors</u> (for this section, collectively referred to as "Supervisor") are responsible for reasonable enforcement of this policy.

Supervisors may request that an employee submit to a drug and/or alcohol test when a Supervisor has a reasonable suspicion that an employee is intoxicated or otherwise under the influence of drugs or alcohol while on the job or subject to being called.

"Reasonable suspicion" is a belief based on objective facts sufficient to lead a reasonably prudent and trained Supervisor to suspect that an employee is under the

influence of drugs or alcohol so that the employee's ability to perform the functions of the job is impaired.

For example, any of the following, alone or in combination, may support a determination of reasonable suspicion:

• Slurred speech;

• Alcoholic odor on breath;

Unsteady walking and movement;

• Physical or verbal altercation;

• Violent, threatening, or erratic behavior;

• Possession of alcohol or drugs;

Any Supervisor requesting an employee to submit to a reasonable suspicion drug and/or alcohol test should document in writing the facts constituting reasonable suspicion that the employee in question is under the influence of drugs or alcohol. Any reasonable suspicion determination should be made in consultation with HR.

Testing Procedure

The drug and/or alcohol test may test for any substance which could impair an employee's ability effectively and safely to perform the functions of their job, including, but not limited to, prescription medications, alcohol, heroin, cocaine, morphine and its derivatives, P.C.P., methadone, barbiturates, amphetamines, marijuana, and other cannabinoids, but not for non-psychoactive cannabis metabolites.

<u>Testing requested by the District shall only be conducted by a laboratory</u> <u>certified by the National Institute on Drug Abuse (NIDA).</u> Analysis is performed <u>using gas spectrometer testing and shall, in all cases, include a split-sample properly</u> <u>identified, for use by the employee if the employee challenges a positive result.</u>

Results of Drug and/or Alcohol Test

A positive result from a drug and/or alcohol test may result in disciplinary action, up to and including termination.

Confidentiality

<u>Confidential medical information related to this policy, including reports and test</u> results, is maintained in a separate confidential medical file that will be securely kept under the control of the Administrative Services Department. Any such information is disclosed only to District management on a need-to-know basis, or otherwise in accordance with law.

The District shall provide the Employee Assistance Plan for the term of this MOU.

It is the intention of this policy to eliminate substance abuse and its effects in the work place. While the District has no intention of intruding into the private lives of its employees, unless it is for legitimate District reasons, involvement with drugs and alcohol off the job can take its toll on job performance and employee safety. Our concern is that employees are in a condition to perform their duties safely and efficiently, in the interests of their fellow workers and the public as well as themselves. The presence of drugs and alcohol on the job, and the influence of these substances on employees during working hours, are inconsistent with this objective.

Furthermore, the use of prescription drugs and/or over the counter drugs also may affect an employee's job performance and may seriously impair them. If an employee is taking a drug or medication, whether or not prescribed by a physician, which may adversely affect their ability to perform work in a safe or productive manner, they are required to report such use to their Supervisor. This includes drugs which are known or advertised as possible affecting judgment, coordination or other senses, including those which may cause drowsiness or dizziness, and including both prescription and non-prescription drugs and medications. Their Supervisor, in conjunction with the Administrative Services Department, will determine whether they will be allowed to remain at work, and whether any work restrictions are appropriate.

Employees who think they may have an alcohol or drug usage problem are urged to voluntarily seek confidential assistance from the Employee Assistance Program. While the District will be supportive of those who seek help voluntarily, the District will be equally firm in identifying and disciplining those who continue to be substance abusers and do not seek help or continue substance abuse even while enrolled in counseling or rehabilitation programs.

Supervisors may be trained to recognize abusers and become involved in this control process. Alcohol or drug abuse will not be tolerated and disciplinary

action, up to and including termination, will be used as necessary to achieve this goal.

This policy provides guidelines for the detection and deterrence of alcohol and drug abuse. It also outlines the responsibilities of the District managers and employees. To that end, the District will act to eliminate any substance abuse (alcohol, illegal drugs, prescription drugs or any other substance which could impair an employee's ability to safely and effectively perform the functions of the particular job) which increases the potential for accidents, absenteeism, substandard performance, poor employee morale or damage to the District's reputation. All persons covered by this policy should be aware that violations of the policy may result in discipline, up to and including termination.

In recognition of the public service responsibilities entrusted to the employees of the District, and that drug and alcohol usage can hinder a person's ability to perform duties safely and effectively, the following policy against drug and alcohol abuse is hereby adopted by the District.

POLICY

It is District policy that employees shall not be under the influence, or in possession, of alcohol or drugs while on District property, at work locations, or while on duty or subject to being called to duty or standby, and that employees shall not sell or provide drugs or alcohol to any other employee or person while on duty or on standby duty.

While use of validly prescribed medications and drugs does not violate this policy per se, failure by an employee to notify their supervisor, before beginning work, when taking medications or drugs which could foreseeably interfere with the safe and effective performance of duties, or the operation of District equipment, can result in discipline up to and including termination. In the event there is a question regarding an employee's ability to safely and effectively perform assigned duties while using such medications or drugs, clearance from a qualified physician may be required.

The District reserves the right to search, without employee consent, all areas and property in which the District maintains control or joint control with the employee. "Right to search, when utilized, shall be preceded with notice to the employee of their right to representation and to be present during the search unless it is an emergency or the District deems it is not practical to have the

employee present.["] Otherwise, the District may notify appropriate law enforcement agencies that an employee may have illegal drugs in their possession or in an area not jointly or fully controlled by the District.

Refusal to immediately submit to an alcohol and/or drug analysis when requested by District management or law enforcement personnel, or refusal to submit to a search of personal properties if requested by law enforcement personnel, may constitute insubordination and be grounds for discipline up to and including termination.

Employees reasonably believed to be under the influence of alcohol or drugs shall be prevented from engaging in further work and shall be detained for a reasonable time until he or she can be safely transported from the work site.

The District is committed to providing reasonable accommodation to those employees whose drug or alcohol problem classifies them as handicapped under federal and/or state law.

The District has established an Employee Assistance Program (EAP) to assist those employees who voluntarily seek help for alcohol or drug problems. Employees should contact their supervisors or the Human Resource office for additional information.

APPLICATION

This policy applies to all employees and unpaid persons whose actions can serve to place themselves or employees at risk, cause poor employee morale, or damage the District's reputation. This policy applies to alcohol and drugs, including all substances, drugs, or medication, whether legal or illegal, which could impair an employee's ability to effectively and safely perform the functions of the job.

EMPLOYEE RESPONSIBILITIES

An employee must:

 not report to work or be subject to duty while their ability to perform job duties is impaired due to on or off duty alcohol or drug use; not possess or use alcohol or impairing drugs, including illegal drugs and prescription drugs without a prescription, during working hours or while on standby duty, on breaks, during meal periods or at any time while on District property;

- not directly or through a third party sell or provide drugs or alcohol to any person, including any employee, while either or both employees are on duty or on standby duty;
- submit immediately to an alcohol and drug test when requested by a District representative, and approved by the General Manager or their designated representative;
- notify their supervisor, before beginning work, when taking any medications or drugs, prescription or non-prescription, which the employee knows or should know may interfere with the safe and effective performance of duties or operation of District equipment; and
- provide, within 24 hours of request, bona fide verification of a current valid prescription for any potentially impairing drug or medication identified when a drug screen/test is positive. The prescription must be in the employee's name.

If drug/alcohol testing is proposed, the employee who is to be tested shall have the right to determine whether the test is by blood sample or by urinalysis. Testing, other than by breathalyzer performed by law enforcement for reasonable cause, shall only be conducted by a laboratory certified by the National Institute on Drug Abuse (NIDA), using gas spectrometer testing and shall, in all cases, include a split-sample properly identified, for use by the employee if the employee challenges a positive result. The split sample and/or original sample shall be available for parallel testing by a different licensed

laboratory at the District's expense. Test results and samples shall be retained for at least one (1) year. Any irregularity in the chain of custody of a sample shall serve to void the test.

MANAGEMENT RESPONSIBILITIES AND GUIDELINES

Managers and Supervisors are responsible for reasonable enforcement of this policy.

 Managers and Supervisors may request that an employee submit to a drug and/or alcohol test when a manager or supervisor has a reasonable suspicion that an employee is intoxicated or under the influence of drugs or alcohol while on the job or subject to being called. "Reasonable suspicion" is a belief based on objective facts sufficient to lead a reasonably prudent supervisor to suspect that an employee is under the influence of drugs or alcohol so that the employee's ability to perform the functions of the job is impaired or so that the employee's ability to perform his/her job safety is reduced. "Reasonable suspicion" shall generally not be deemed to exist if other objective explanations exist.

For example, any of the following, alone or in combination, may constitute reasonable suspicion: (when such behavior is unusual for an individual)

- Slurred speech;
- Alcoholic odor on breath;
- Unsteady walking and movement;
- An accident involving District property, where it appears the employee's conduct is at fault, when other objective evidence exists;
- Physical altercation;
- Unusual behavior;
- Verbal altercation;
- Possession of alcohol or drugs;
- Any Manager or Supervisor requesting an employee to submit to a drug and/or alcohol test should document in writing the facts constituting

reasonable suspicion that the employee in question is intoxicated or underthe influence of drugs.

- Any Manager or Supervisor encountering an employee who refuses an order to submit to a drug and/or alcohol analysis upon request shall remind the employee of the requirements and disciplinary consequences of this policy. Where there is reasonable suspicion that the employee is then under the influence of alcohol or drugs, the manager or supervisor should arrange for the employee to be safely transported home.
- Managers and Supervisors shall not physically search the person of employees, nor shall they search the personal possession of employees without the freely given written consent of, and in the presence of, the

employee.

 Managers and Supervisors shall notify their Department Manager or designee when they have reasonable suspicion to believe that an employee may have illegal drugs in his or her possession or in an area not jointly or fully controlled by the District. If the Department Manager or designee concurs that there is reasonable suspicion of illegal drug possession, the Department Manager shall notify the appropriate law enforcement agency.

PHYSICAL EXAMINATION AND PROCEDURE

The drug and/or alcohol test may test for any substance which could impair an employee's ability to effectively and safely perform the functions of their job, including, but not limited to, prescription medications, alcohol, heroin, cocaine, morphine and its derivatives, P.C.P., methadone, barbiturates, amphetamines, marijuana, and other cannabinoids. Form "A" describes the method in which the initial test will be conducted, how the sample will be processed after the drug and/or alcohol test is completed, and how a confirmatory test after an initial positive result will be performed.

RESULTS OF DRUG AND/OR ALCOHOL ANALYSIS

A positive result from a drug and/or alcohol analysis may result in disciplinary action, up to and including termination. "Positive results" shall be defined, for

alcohol, as having a blood-alcohol level above that limit as established under California law for the operation of a motor vehicle.

If the drug screen is positive, the employee must provide within twenty four (24) hours of request bona fide verification of a valid current prescription for the drug identified in the drug screen. The prescription must be in the employee's name. If the employee does not provide acceptable verification of a valid prescription, or if the prescription is not in the employee's name, or if the employee has not previously notified his or her supervisor, the employee will be subject to disciplinary action up to and including termination.

If an alcohol or drug test is positive for alcohol or drugs, the District shall conduct an investigation to gather all facts. The decision to discipline or terminate will be carried out in conformance with District's Employee Manual (currently the 2016 version). The Alcohol/Drug Abuse Report shall not be considered valid until signed by a trained supervisor/manager and the General Manager or his designee. Any such report shall be removed from the file unless confirmation is made the violation took place.

CONFIDENTIALITY

Suspicion of, participation in EAP laboratory reports and test results shall not appear in an employee's general personnel folder. Information of this nature will be contained in a separate confidential medical folder that will be securely kept under the control of Human Resources. The reports or test results may be disclosed to District management on a strictly need-to-know basis and to the tested employee upon request.

Disclosures, without employee consent, may also occur when: (1) the information is compelled by law or by judicial or administrative process; (2) the information has been placed at issue in a formal dispute between the employer and employee; (3) the information is needed by medical personnel for the diagnosis or treatment of the patient who is unable to authorize disclosure.

Disclosure of any information garnered through the administration of this policy is a violation of this policy and may cause discipline up to and including termination of the person or persons making the disclosure.

PLEASANT VALLEY RECREATION AND PARK DISTRICT STAFF REPORT / AGENDA REPORT

TO: BOARD OF DIRECTORS

- FROM: MARY OTTEN, GENERAL MANAGER By: Kathryn Drewry, Human Resources Specialist
- **DATE:** July 3, 2024

SUBJECT: CONSIDERATION AND APPROVAL OF RESOLUTION NO. 775, ADOPTING A NEW SALARY SCHEDULE EFFECTIVE JULY 2024, JULY 2025, AND JULY 2026 WITH A COST-OF-LIVING ADJUSTMENT FOR FULL-TIME AND PART-TIME YEAR-ROUND EMPLOYEES

BACKGROUND

The District's updated compensation structure and assignment of all District positions serve as a foundational document for managing compensation. This new structure consists of fourteen (14) unique pay grades. It provides transparency and consistency in how salaries are structured and adjusted over time, aligning with organizational and regulatory changes. By maintaining and updating the salary schedule under these conditions, the District can effectively manage compensation strategies, attract talent, and maintain employee satisfaction through fair and equitable pay practices.

The purpose of a Salary Schedule is to provide a reference tool for hiring staff and determining merit increases. This ensures consistency and fairness in how salaries are determined based on job classifications and performance evaluations. By establishing clear salary ranges for different positions, the salary schedule helps standardize compensation across the organization, promoting equity and transparency.

Updates are typically made to the salary schedule under the following circumstances:

- Job Classification Changes: When new job classifications are added or existing ones are modified, reflecting changes in roles and responsibilities within the organization. This ensures that the salary schedule remains relevant and accurately reflects the current job market and organizational structure.
- **Minimum Wage Adjustments:** When there are changes in minimum wage laws or regulations that affect the base pay level across the organization. These adjustments ensure compliance with legal requirements and help maintain competitive pay rates.
- **Board-Awarded COLA:** When the organization's board or governing body awards a Cost-of-Living Adjustment (COLA), it ensures that salary levels keep pace with inflation, market rates, and economic changes. This helps preserve employees' purchasing power aligning with the classification and compensation recommendation.

ANALYSIS

As part of the District's updated Classification and Compensation study, a 30% spread between positions was recommended to combat pay compression, establish clear career progression for employees, and allow the District to administer an equitable pay system. This year, staff is presenting a three-year salary schedule which coincides with the Memorandum of Understanding (MOU) with SEIU as this will be a three-year agreement. The MOU document outlines various terms and conditions, including salary adjustments.

The COLAs agreed upon in the MOU are designed to counteract inflation and preserve the real value of employees' wages over time. This helps ensure that employees' purchasing power remains relatively stable despite economic changes. The current salary schedule will be as follows:

- Year 1 2024/2025 5%: This substantial increase addresses recent inflation trends and provides a significant boost to employees' salaries.
- Year 2 2025/2026 3%: A moderate increase that continues to counteract inflation while ensuring sustainable financial planning.
- Year 3 2026/2027 4%: An increase that reflects anticipated economic conditions and maintains the competitiveness of the salary structure.

These increases are part of a structured approach to keep compensation competitive and aligned with economic conditions over the duration of the three-year period. They reflect efforts to maintain fair and equitable compensation for employees within the District, which will encourage employee retention.

The Board has historically decided to align COLAs for unrepresented employees with the represented staff, this practice provides equity and organizational cohesion and aligns with the Districts updated classification and compensation study recommendations. By offering comparable COLAs, the Board acknowledges the value of maintaining competitive compensation and equitable treatment across the workforce. This policy underscores the Board's commitment to maintaining equitable compensation practices and ensuring that all employees, whether represented by a union or not, benefit from adjustments that reflect economic conditions and inflation rates negotiated through MOUs or other agreements.

FISCAL IMPACT

There is no additional fiscal impact for Fiscal Year 2024/2025, as the COLA has been included in the budget. The 3% COLA in Fiscal Year 2025/2026 would add an estimated \$95,000 to Personnel Costs and an estimated \$130,000 for a 4% COLA to Personnel Costs in Fiscal Year 2026/2027.

STRATEGIC PLAN COMPLIANCE

Meets 2021-2026 Strategic Plan Goal and Strategy

• 5.1: Position the District to attract and retain high-quality employees.

RECOMMENDATION

It is recommended the Board approve Resolution No. 775, adopting a new three-year salary schedule effective July 2024, July 2025, and July 2026 with a cost-of-living adjustment for full-time and part-time year-round employees.

PLEASANT VALLEY RECREATION AND PARK DISTRICT STAFF REPORT / AGENDA REPORT

TO: BOARD OF DIRECTORS

- FROM:MARY OTTEN, GENERAL MANAGERBy: Justin Kiraly, Administrative Services Manager
- **DATE:** July 3, 2024

CONSIDERATION AND APPROVAL OF A SECOND **SUBJECT: READING FOR THE ADOPTION OF ORDINANCE NO. 15 TO ESTABLISH AN INFORMAL BID PROCESS** UNDER THE CALIFORNIA UNIFORM PUBLIC **CONSTRUCTION** COST ACCOUNTING ACT (CUPCCAA), ADOPTION OF RESOLUTION NO. 776 TO TO BECOME SUBJECT THE CUPCCAA. AND **ADOPTION OF RESOLUTION NO. 777 UPDATING THE** PURCHASING POLICY TO CONFORM TO THE CUPCCAA

SUMMARY

It is recommended the Board review and adopt Ordinance No. 15, which establishes an informal bid process for public construction projects in accordance with the California Uniform Public Construction Cost Accounting Act (CUPCCAA), thus currently enabling informal bidding processes for projects up to \$200,000 and no bid requirements for projects up to \$60,000. In addition to Ordinance No. 15, it is recommended the Board adopt Resolutions No. 776, formally becoming subject to CUPCCAA, and No. 777, updating the Purchasing Policy to conform to CUPCCAA.

BACKGROUND

The District currently follows bid thresholds established prior to CUPCCAA. The existing thresholds established in the California Public Contract Code Section 20815.1 require formal bidding for projects exceeding \$25,000, which often leads to longer project timelines and higher administrative costs due to the extensive procedures involved.

The California Uniform Public Construction Cost Accounting Act, found in the California Public Contract Code Sections 22000-22050, provides a framework for uniform cost accounting standards, and streamlined bidding processes for public agencies. CUPCCAA currently allows for informal bidding on projects up to \$200,000 and no bid requirements for projects up to \$60,000. In order to utilize these thresholds through CUPCCAA, the District needs to adopt an informal bid ordinance.

It is important to note that the passage of Ordinance No. 15 pertains solely to the adoption of the informal bid process. In addition to Ordinance No. 15, the Board will need to adopt Resolution No. 776 which is required for the District to become subject to CUPCCAA. The Board will also need to adopt Resolution No. 777 which will update the District's Purchasing Policy to be in line with the requirements and purchasing thresholds of CUPCCAA, as well as increasing the General Manager's purchasing threshold to the lower limit of CUPCCAA, currently at \$60,000.

ANALYSIS

Ordinance No. 15 establishes that public projects up to the upper limit threshold of CUPCCAA, currently set at \$200,000, can be contracted using informal bid procedures as per Section 22032 of the California Public Contract Code. It mandates compliance with Section 22034 for maintaining a list of qualified contractors and specifies the process for circulating notices inviting informal bids, either through direct communication to listed contractors or via construction trade journals. The ordinance also grants the General Manager the authority to award informal contracts, pending Board approval for specific projects, thereby streamlining, and expediting the procurement process for the District.

Passing Ordinance No. 15 to establish an informal bidding process, and the adoption of Resolutions No. 776 and No. 777, will offer several advantages for the District:

- 1. **Efficiency**: Adopting the \$200,000 threshold for informal bidding will significantly reduce the time and administrative burden associated with the formal bidding process for smaller projects. This change will streamline project timelines, allowing for quicker initiation and completion of projects.
- 2. **Cost Savings**: By minimizing the administrative costs associated with formal bidding and enabling faster project execution, the District can achieve notable cost savings. Additionally, the flexibility to perform smaller projects in-house or with no bid process up to \$60,000 can further reduce costs related to external contractors.
- 3. Local Participation: Higher informal bidding thresholds will encourage more local and smaller contractors to participate in the bidding process. This increased competition can lead to more competitive pricing and foster greater community involvement in District projects.

Potential challenges include ensuring compliance with CUPCCAA standards and maintaining transparency and accountability in the bidding process. Most of these requirements are items the District currently follows, so there will be few changes in operations. These concerns can be addressed through comprehensive staff training and minor updates to our accounting practices to align with CUPCCAA guidelines.

Fiscal analysis indicates that the reduced administrative burden and expedited project timelines could result in cost savings. Furthermore, the ability to perform smaller projects in-house will further reduce costs associated with hiring external contractors.

FISCAL IMPACT

The fiscal impact of adopting CUPCCAA thresholds is anticipated to be positive. The District expects to achieve cost savings in administrative expenses and overall project costs. Implementing

in-house capabilities for smaller projects and using informal bidding for mid-sized projects will streamline operations and reduce expenditures. There is no immediate cost to the District for adopting these thresholds.

STRATEGIC PLAN COMPLIANCE

Meets 2021-2026 Strategic Plan Goal and Strategy

• 1.2: Utilize best accounting practices and forecast and optimize revenue while controlling expenditures.

RECOMMENDATION

It is recommended that the Board review and approve Ordinance No. 15 by:

Making a MOTION to adopt Ordinance No. 15 by approving the second reading to adopt Ordinance No. 15 titled – Ordinance No. 15, An Ordinance of the Pleasant Valley Recreation and Park District to Provide Informal Bidding Procedures Under The Uniform Public Construction Cost Accounting Act (Section 22000, et seq. of the Public Contract Code).

Fellow Coastal Network Members,

Having represented the Coastal Network as a CSDA Board member since 2016, I'm requesting your support for reelection.

I am currently the President of the CSDA Board of Directors. I have served as on the Executive Committee as the Vice President, Secretary and Treasurer. now an ex-officio on all CSDA committees. I am one of the CSDA representatives to the Special Districts Leadership Foundation and their Scholarship Committee. I've completed the SDLF Leadership Academy, and regularly attend the annual Legislative Days, Annual Conference and Exhibitor Showcases.

As a Director for the Pleasant Valley Recreation and Park District Board since 2008, I've served as Board Chair, on the Personnel and Liaison Committees, and as PVRPD's representative to the Ventura County Special Districts Association and CSDA. I have been honored by VCSDA as Director of the Year.

My career in Public Service for 31 years was in law enforcement Human Resources. Following my retirement, I worked as a contract investigator for the Department of Justice.

My experience on the PVRPD Board and my work as a public servant has provided me with a solid foundation of experience, enabling me to represent your District's interests on the CSDA Board.

As a board member, I represent all special districts in the Coastal Network, supporting CSDA's on-going efforts to offer educational classes and informative conferences and their pro-active legislative advocacy and policy proposals that impact all Special Districts.

If re-elected, I will continue to work with board members and staff to further advocacy efforts at the state and national level, increase membership, and further enhance services provided to member agencies.

I would appreciate your district's support in my re-election as the Coastal Network representative on the CSDA Board of Directors. I respectfully ask for your vote.
